REGULATIONS RESPECTING FOREIGN ORDERS.

1st. THAT no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual (directed to the Earl Marshal of England), granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

3th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of such Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:—

6th. "That His Majesty's Licence and permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these realms."

N.B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

CASTLEREAGH.

Her Majesty has been pleased further to direct,—

7th. "That if the Service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2nd Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace."

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such Service."

8th. "When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Declaration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honor strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

MATES.

Two Shillings and Sixpence a day after three years' actual Sea Service as Mates, and when unable to obtain employment in Her Majesty's Service, provided their conduct during service shall have been satisfactory, and provided they do not decline or avoid service when called upon.

The Lords Commissioners of the Admiralty are empowered to allow any Mate to retire from the service, with a Pension of Two Shillings and Sixpence a day after Twenty Years' actual Service, during Ten Years of which he must have held the rating of Mate.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (stating the date their last letter of leave bore) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so. J. W. CROKER.

Admiralty, 20th April, 1830.

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships, J. W. CROKER.

Admiralty, 4th January, 1811.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively;

and, whenever absent on leave, to state the name of the Ship to which they may belong.
J. W. CROKER.

Admiralty, 21st February, 1839.

Great delay and inconvenience having been experienced for some time past, in consequence of Officers omitting to affix their *Ranks after their Signatures* as directed by the Memorandum dated 4th January, 1811; The Lords Commissioners of the Admiralty desire the attention of all classes of Officers to the absolute necessity of conforming to this regulation, as their Lordships have no other means of ascertaining with accuracy who the writer of any communication to them may be, and the public business is consequently materially impeded.
By command of their Lordships, C. WOOD.

Admiralty, 30th September, 1885.

N.B. Declaration taken before Masters Extraordinary in Chancery cannot be admitted; and the Officers should be careful, that any Justice of the Peace or Magistrate of a Town or Corporation, attesting the Declaration, should sign himself as such.

CHARLES WOOD.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioners and Warrant Officers of His Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quarter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Banks.

CHARLES WOOD.

Admiralty, 15th November, 1833.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Paymasters and Purvers—Masters—Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals—Captains—Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By command of their Lordships,

JOHN BARROW.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previ-

ously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the Invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be resuspended.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

By Command of their Lordships,

R. MORE O'FERRALL.

MEMORANDUM.

Admiralty, 5th June, 1841.

The Lords Commissioners of the Admiralty, having observed that Mates, when promoted to the rank of Lieutenants, continue to negotiate the Tickets for their services as Mates, in the same manner as when they were Petty Officers, under the 18th clause Act 11 Geo. IV. Cap. 20, although that clause sanctions the negotiation of the Tickets of Petty Officers and Seamen only, are pleased to direct, that as Mates are now Warrant Officers under the authority of Her Majesty's Order in Council of the 10th of August last, they shall discontinue the practice of negotiating their Tickets on being promoted.

By Command of their Lordships,

JOHN BARROW.

CHAPLAINS.

Regulations under His Majesty's Order in Council of 31 July, 1835, for the admission of Chaplains into His Majesty's Naval Service:—

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or who shall not have been graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from two beneficed clergymen of his good moral and religious conduct, or who shall not have been examined by some competent person to be appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to His Majesty's service the situation of Chaplain.

CHARLES WOOD.

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years' service at sea; that I have not between the day of _____ and the day of _____ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, 10th Sept., 1842.
REGULATIONS FOR THE QUALIFICATION OF NAVAL INSTRUCTORS. ESTABLISHED BY ORDERS IN COUNCIL OF THE 22nd DEC., 1836, 10th AUGUST, 1840, AND 11th MARCH, 1842.

Naval Instructors and Schoolmasters are hereafter to be designated "Naval Instructors," and Chaplains on being appointed to act as Naval Instructors are to be designated "Chaplains and Naval Instructors."

No person will be considered eligible for a Warrant as Naval Instructor who is under 20 years of age or more than 35.

Before any person can hereafter be received on board Her Majesty's ship "Excellent" as a candidate for an appointment as Naval Instructor, he will be required to produce a certificate of his age, and testimonial of good character; and both laymen and clergymen when appointed to act as Naval Instructors must pass an examination as to their qualifications to instruct the young Officers in the following branches:—

1st. Common Arithmetic, including Vulgar and Decimal Fractions.

2nd. The first six and the eleventh books of Euclid.

3rd. Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.

4th. Plane and Spherical Trigonometry, theoretical and practical.

5th. Nautical Astronomy, particularly the principles on which the various rules for finding the latitude and longitude are founded.

6th. Mechanics.

7th. Hydrostatics.

8th. A competent knowledge of the Classics.

The final examination of Candidates for Naval Instructorships will comprise:—

1st. The usual College passing examination in Navigation.

2nd. The application of the theory of Projectiles to Gunnery.

3rd. Observations with the Sextant, &c. The use of the Azimuth Compass and Chronometer, &c. Perfect proficiency will be expected in observing: 350 numbers will be required to pass a Candidate in the College Paper, and 50 is to be the minimum number for observations.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, is not considered as indispensable, it is very desirable that Naval Instructors should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

No Naval Instructor who shall retire from his employment without the approbation of the Lords Commissioners of the Admiralty, or who shall refuse or avoid service if found capable of serving, shall be allowed to receive Half-Pay; and his name in such case will be removed from the List of Naval Instructors.

The Naval Instructor is to be considered in all respects a Ward Room Warrant Officer. Unless they be in Holy Orders, they are to wear the same uniform as Masters, but without epaulettes or gold lace on the trousers.

By Command of their Lordships,
 SIDNEY HARBERT.

MEMORANDUM.

Admiralty, June 7th, 1839.

All Candidates for Naval Instructorships who may be sent to the Excellent, are to be examined (previous to commencing the course of instruction) touching their Mathematical attainments, which it will be expected should be sufficient to admit of their proceeding at once to the study of Nautical Astronomy. C. WOOD.

MEMORANDUM.

Admiralty, May 15th, 1837.

The Lords Commissioners of the Admiralty being anxious to extend the advantages of education to the Petty Officers, Seamen, Marines, and Boys of the Fleet, are pleased to authorize one additional rating of First Class Petty Officers in every Ship of His Majesty's Navy, to be called "Seamen's Schoolmaster."

The person to fill this rating is to be entered or selected by the Commanding Officer of the Ship, with the approbation of their Lordships. Vacancies occurring abroad may be filled up from the ship's company, if a person properly qualified be found on board; if not, one may be taken from any other ship, with the consent of his Commanding Officer, and the approbation of the senior Officer present.

The Seaman's Schoolmaster is to be competent to teach Reading, Writing, and Arithmetic, viz., the first four rules, the Rule of Three, Vulgar and Decimal Fractions, Logarithmic Arithmetic, Plane Trigonometry, and to keep a ship's reckoning at sea.

He is to be examined as to his fitness by the Naval Instructor of the Flag Ship of the port where his ship may be fitted out, or by some other competent person to be named by the Port Admiral, who is to give a Certificate of his fitness, which is to be transmitted to this Office before the appointment is approved.

Any Petty Officer, Seaman, or Marine who may wish to avail himself of this means of education is to be taught by the Seaman's Schoolmaster, and all the boys are to be put under his instruction.

Arrangements are to be made by the Commanding Officers of His Majesty's Ships so as to allow the men and boys to attend, consistently with the proper discharge of the duties of the Ship.

By Command of their Lordships,
 C. WOOD.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

And We do further Order, that when land forces are embarked to serve as marines, they shall share according to their respective ranks as marines.

That when captains and commanders share together, the captains shall receive double the amount of the commanders.

That commanders doing the duty of first lieutenants shall share like other commanders.

That lieutenants commanding small vessels, when not in company with any captain or commander, shall share as captains.

That the clerk in charge in small vessels shall share as a purser, unless a ship or vessel bearing a purser be present, when he is to share only as clerk.

That in all cases in which supernumeraries, whether officers or men, shall be borne by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, or by other proper authority, they shall share with the respective ranks in which they may be acting: Provided always, that no flag-officer, or other person, not actually present at the capture or destruction

of any pirate vessel, shall be entitled to share in any distribution of the proceeds or bounty in respect of the crews of such piratical ships, vessels, or boats; and also that no flag-officer, or other person, who shall not have been actually on board of any of Our ships, or vessels of war, or at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war or privateers belonging to the enemy, shall be entitled to share in the distribution of any head or bounty-money, granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel.

And We do hereby further direct, that the following regulations shall be observed, with respect to the share before-mentioned to be given to the flag-officer or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel, shall be deemed to be under the command of a flag when he shall have actually received some order from, or be acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, which circumstance is to be always carefully noted in the log-book, and shall be considered to continue under the command of the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by some other flag-officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being.

That when ships or vessels under the command of several flags which belong to separate stations, shall happen to be joint captors, each flag-officer under whose orders the ships or vessels are, shall receive a proportion of the flag share, according to the number of capturing ships or vessels belonging to each flag respectively.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And that when such lists shall have been duly examined with the muster books of such ships and vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated or appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and seizures, and the rewards conferred for the same, and shall be otherwise aiding and assisting to the said agents in all such matters as shall be necessary.

And We further direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein provided for, or not sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be considered as final, and have the same force and effect as if specially provided for in Our Royal Proclamation.

Provided always, that the distribution herebefore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Royal Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We hereby further direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said Royal Proclamation dated nineteenth March one thousand eight hundred and thirty-four.

Given at Our Court at St. James's, this third day of February, in the year of Our Lord

one thousand eight hundred and thirty-six, and in the sixth year of Our reign.

GOD SAVE THE KING.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS it has been represented unto Us by Our Commissioners for executing the Office of Lord High Admiral, that considerable doubts have arisen on the interpretation of those clauses of Our Royal Proclamations, dated the nineteenth of March one thousand eight hundred and thirty-four, and third of February one thousand eight hundred and thirty-six, which direct that the said Proclamations shall take effect from the periods at which notice thereof shall have been received in the several Courts of Vice Admiralty; and that in many instances the distribution of bounty for captured Slaves is actually delayed in consequence of such doubts; and it has been humbly submitted to Us, by Our said Commissioners that in order to obviate the same, it is expedient to assign a precise and uniform date at which each of the said Proclamations of one thousand eight hundred and thirty-four, and one thousand eight hundred and thirty-six, are respectively to take effect. We do, therefore, by and with the advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby directing, that distribution be made by the scale authorized in Our said Proclamation, dated the nineteenth of March one thousand eight hundred and thirty-four, with regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in the High Court of Admiralty, in any Vice-Admiralty Court, or any Court of mixed Commission, from and after the first day of August one thousand eight hundred and thirty-four, inclusive; and hereby further directing that distribution be made according to the Scale authorized by Our Proclamation, dated the third of February one thousand eight hundred and thirty-six, in regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in any such Courts as aforesaid, from and after the first day of July one thousand eight hundred and thirty-six, inclusive; save and except, that in cases of distributions already made, the proceedings therein are not to be subject to revision, as being in any way vitiated by this Our Royal Proclamation.

Given at Our Court at Brighton, this thirtieth day of November, in the year of Our Lord one thousand eight hundred and thirty-six, and in the seventh year of Our reign.—GOD SAVE THE KING.

Admiralty, 3rd July, 1837.

His Royal Highness the Lord High Admiral having received a representation from the Governors and Directors of Greenwich Hospital, that many instances have occurred in which the Regulations contained in His Majesty's Proclamation, dated the 12th of July, 1819, in regard to the Freight of Treasure on board His Majesty's Ships, have been either wholly neglected, or only partially complied with, His Royal Highness feels himself under the necessity of bringing to the recollection of all Officers who may be intrusted with the Freight of Treasure, the several provisions of His Majesty's Proclamation aforesaid, and to repeat the General Orders issued by the Lords Commissioners of the Admiralty, on the subject of Freight since the promulgation of the said Proclamation.

Regent of the United Kingdom of Great

I, A. B., am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captain, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Share of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or

any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by His U.

Given at the Court at Carlton House, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 4th June, 1821.

SIR.—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance. I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

such Purposes, and divided to and amongst such Persons, in such Proportions, and after such manner, as His Majesty, His Heirs and Successors, should from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that Purpose; in pursuance of which Act a Proclamation was, on the Twelfth Day of July following, made and issued by His Royal Highness the then Prince Regent, in the Name and on the Behalf of His said Majesty, whereby, amongst other things, a Scale of Rates at which Freight should be payable for Public and Private Treasure respectively, in Peace and War, and for different Voyages, was fixed and established: And whereas We have thought fit to order that the said Rates should be altered; We have therefore, by and with the advice of Our Privy Council, deemed it expedient to issue this Our Royal Proclamation, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the said Scale of Rates so fixed shall cease and be no longer in force: And We do further declare, That from thenceforth the following Rates shall be established during Peace and War;

And it is further established and declared, That such Freight shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captains and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their Liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth Day of July One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at St. James's, this Twenty-third Day of April One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

GOD SAVE THE KING.

Admiralty, 8th October, 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

MEMORANDUM.

Admiralty, 1st May, 1838.

The Lords Commissioners of the Admiralty are pleased to direct that the annexed Memorandum, which has been transmitted from the Colonial Department, be promulgated for the information of Officers of the Royal Navy and Marines proposing to settle in the Australian Colonies.

All former notices on the subject of Officers settling in the Colonies are to be considered as obsolete.

By Command of their Lordships,
JOHN BARROW.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PURSUING TO SETTLE IN THE BRITISH COLONIES.

1. The Colonies in which Military and Naval Officers are allowed privileges in the acquisition of public lands are the following:—First, the Australian Settlements, consisting of New South Wales, Van Diemen's Land, South Australia, Western Australia, and New Zealand; secondly, Ceylon; thirdly, Nova Scotia and Cape Breton, the only province in North America where privileges are still allowed.

2. In the different Australian Settlements, and in Ceylon, land is disposed of by sale only; but Officers purchasing land, are allowed a remission of the purchase money, according to the under-mentioned scale:—

Field Officers, of 25 years' service and upwards, in the whole 800*l*.

Field Officers, of 20 years' service and upwards, in the whole 250*l*.

Field Officers, of 15 or less years' service, in the whole 200*l*.

Captains, of 20 years' service and upwards, in the whole 300*l*.

Captains, of 15 years' service or less, in the whole 150*l*.

Subalterns, of 20 years' service and upwards, in the whole 150*l*.

Subalterns, of 7 years' service and upwards, in the whole 100*l*.

Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this Rule.

In Nova Scotia and Cape Breton, allotments of Land are granted to Officers on the following scale and conditions, viz:—

To a Lieut.-Colonel.....1200 acres.

To a Major.....1000 acres.

To a Captain.....800 acres.

To a Subaltern.....500 acres.

3. Officers of the Army or Navy, proposing to proceed to the Colonies, in order to take advantage of this Indulgence, should provide themselves with Certificates from the office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, or of the Master General of the Ordnance, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the Colony where they propose to settle, are admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being allowed the indulgence, and that the statement of their rank and length of service is accurate; and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army; Purser, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the Royal Navy rank with Ensigns in the Army, and Mates of three years' standing, with Lieutenants in the Army,

and are entitled respectively to corresponding privileges in the acquisition of Lands.

6. Gentlemen who have ceased to belong to Her Majesty's Service are not allowed the advantages to which they were entitled while in the Army or Navy. This rule, however, is not to affect Officers who desire to quit the service, for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the General Commanding in Chief, or from the Lords Commissioners of the Admiralty, or from the Master General of the Ordnance, that they do so with the view of emigrating, and such certificate, if produced to the Governor of any of the Colonies before-mentioned within one year from its date, *but not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers who are still in Her Majesty's Service.

7. An actual residence of two years in the Colony must be proved before the Title can be granted, except in cases in which death may have occurred before the expiration of that period.

8. For the convenience of Officers, the following heads are subjoined of the Rules for the Sale of Land in the Australian Settlements:—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than 1*l*. per acre; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one-tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price: these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

9. In Ceylon, land is sold by auction at an upset price of 5*s*. per acre, generally in lots of 100 acres each.

10. The several prices above mentioned are of course subject to revision at any time by the proper Authorities, and the pecuniary amount of the Remission made to Officers cannot be increased on account of an increased value set upon the Lands.

September, 1848.

MEMORANDUM.

Admiralty, 26th August, 1841.

Her Majesty having by Her Order in Council of 10th August, 1840, ordered that Mates in the Royal Navy shall rank with Ensigns in the Army, and Mates of 3 years' standing with Lieutenants in the Army, Her Majesty's Go-

vernment have recognised the claims of these Officers to the same advantages in the acquisition of Land in the Australian Colonies and in Ceylon, which are enjoyed by Subalterns in the Army under the Regulations of August, 1838.

By Command of their Lordships,
J. PARKER.

Admiralty, 17th August, 1827.

His Royal Highness the Lord High Admiral desires that Officers, or other persons, having occasion to transmit Certificates and other Documents either to His Royal Highness, his Council, or his Secretaries, will not send the original Cer-

tificates or Documents, but only copies thereof, which copies will remain in this Office, annexed to the Letter or Memorial to which they may belong. If, however, the parties shall choose to transmit their original documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.

This rule does not apply to the Smart Tickets or Certificates of Seamen or Marines applying for pensions from Greenwich.

By Command of His Royal Highness,
J. W. CROKER.

The Great Coats for Officers in the Royal Navy are to be of blue cloth; double or single breasted, according to the uniform assigned to their respective ranks, with stand and fall collar; the number and arrangement of the buttons to be according to their undress uniform—to be worn with or without epaulettes, as convenient.

The blue morning coat now in use is abolished.

All Officers may wear in undress, with Blue Trowsers, a Blue Cloth or Kerseymere Waist-coat, single breasted, with small uniform buttons, and on board their ships, a round jacket without skirts, with their appropriate buttons, and a round black hat, with a narrow black silk band and a black buckle, and a black silk or leather cockade, with a loop of the same material and half the width of the lace of their respective coats, or if they have no lace on their coats, of black silk ribbon (except Midshipmen, Masters'-Assistants, and Naval Cadets, who are to have a loop of gold twist); or a blue cloth cap, with a band round it, of the width and material of the lace of their coats; Officers who have no lace to their coats, to have a band of gold lace, one inch wide, round their caps.

Patterns or drawings of each article of dress are to be seen at this Office, and at the Offices of the several Port Admirals.

By Command of their Lordships,
SIDNEY HERBERT.

Admiralty, 15th February, 1830.

The Lords Commissioners of the Admiralty being desirous to extend the benefit of the Marine Surveys which have been made for the use of His Majesty's Navy, more generally among the Mercantile Shipping of the Empire, have appointed Mr. R. B. Bate, 21, Poultry, London, to be their Lordships' agent for the sale of all Charts, Plans, Views, and Sailing Directions, which are published under their Lordships' orders; and he has been directed to employ proper sub-agents at the principal sea-ports for the same purpose.

All corrections, arising from surveys in progress, will be notified to the agent for immediate insertion, so that the Charts and Directions in his hands will always contain the most recent and authentic information.

Catalogues may be had at the agent's, stating the prices which have been authorised by their Lordships.

Admiralty, 7th May, 1830.

Notice is hereby given to the Medical Officers of the Royal Navy, that Sir Gilbert Blane, Bart., first Physician to his Majesty, and formerly Member of the Board for Sick and

Wounded Seamen, with the concurrence and approbation of the Lords Commissioners of the Admiralty, has, for the encouragement of Naval Medical Science, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a gold medal, once in every two years, on such two Medical Officers, whether *Surgeons*, or *Assistant-Surgeons acting as Surgeons*, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

The selection of the journals will, in the first instance, be made by the Medical Commissioners of the Victualling Board, on the 12th of August, 1831, and will consist of not more than ten, nor less than five, of those journals delivered into office between the 12th of July, 1827, and the 12th of July, 1831; and the subsequent selections will be made from those delivered within the period of every two succeeding years; and the adjudication of the medals will, during the life of Sir Gilbert Blane, be made by him, and will subsequently be vested in the Senior Medical Commissioner, the President of the College of Physicians, and the President of the College of Surgeons, London.

MEMORANDUM.

Admiralty, 30th June, 1833.

Her Majesty has been graciously pleased, by her Order in Council of the 4th of April last, to authorize a revision of the Rules and Regulations under which Superannuations and Pensions are at present granted to Warrant Officers in pursuance of the Orders in Council of 25th November, 1816, and 24th August, 1831, and to direct that from the date of Her Majesty's Order in Council, first mentioned, the following Rules shall be observed in regard to the Superannuations and Pensions of the Gunners, Boat-swains, Carpenters and Engineers of Her Majesty's Fleet, and that so much of the said Orders in Council of 1816 and 1831 as relates thereto be revoked:—*viz.*

1st. 2nd. That in cases in which the services of Warrant Officers shall appear to the Lords Commissioners of the Admiralty to be more than ordinarily meritorious, a further sum may be allowed to the said Warrant Officers in addition to the Pension allowed by Art. 1, varying from one pound to fifteen pounds a-year, reference being had to the character of the Officer, the cause which may have rendered him unfit for service, his previous service as a Seaman or Petty Officer, and to any Wounds or Hurts he may have received.

3rd. That Warrant Officers who may have served as First or Second Class Petty Officers previous to obtaining a Warrant, shall be allowed in addition to the Pension to be assigned to them under the two foregoing Articles, such Pensions as they may be entitled to by the Greenwich Scale for such service as Petty Officers.

4th. (1st.) That Warrant Officers who may lose two limbs in action;—(2nd.) or who may receive wounds or injuries in action equal to the loss of two limbs;—(3rd.) or who may receive injuries or hurts in the service, though not in action, equal to the loss of two limbs, shall be allowed Pensions, (as the Lords Commissioners of the Admiralty may deem proper,) not exceeding in the 1st case, 50*l.* a-year, nor in the 2nd case, exceeding 45*l.* a-year, nor in the 3rd case, exceeding 35*l.* a-year.

5th. (1st.) That Warrant Officers who may lose one limb in action;—(2nd.) or who may receive wounds or injuries in action equal to the loss of a limb;—(3rd.) or who may receive injuries or hurts in the service, though not in action, equal to the loss of a limb, shall be allowed Pensions (as the Lords Commissioners of the Admiralty may deem proper) not exceeding in the 1st case 25*l.* a-year, nor in the 2nd case exceeding 20*l.* a-year, nor in the 3rd case exceeding 15*l.* a-year.

The Pensions for wounds and hurts to be granted after a careful survey held on the Officer at this Office, when practicable, and to be in addition to any other Pension the Officer may be entitled to.

6th. No Warrant Officer to be allowed to reckon as service towards Superannuation any period of time during which he shall not have maintained a good character in the Ship in which he has served.

By command of their Lordships,
C. Wood.

PENSIONS TO SUBORDINATE OFFICERS, SEAMEN, AND MARINES.

REGULATIONS FOR GRANTING PENSIONS TO THE SUBORDINATE OFFICERS HEREIN MENTIONED, AND TO SEAMEN AND ROYAL MARINES.

Article 1.—Every Midshipman, Master's Assistant, Clerk, Naval Cadet, and Clerk's Assistant, who shall be discharged from Her Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence a day, according to the bodily injury sustained by the party.

Art. 2.—Every Petty Officer, Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from Her Majesty's Service on account of severe wounds or hurts, whether received in Action or in the execution of his duty, shall be allowed a Pension, according to the following scale, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, with reference to the bodily injury sustained, and to the length of Service and rating of the party, *viz.*:

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings a day; but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence a day; if able to contribute in a small degree to his livelihood, from Ninepence to One Shilling a day; and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninepence a day.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and character of the claimant, and the circumstances under which he was wounded or hurt.

Art. 3.—Every Able Seaman or Marine (provided the latter shall have entered the Service prior to the 26th of June, 1837) who shall be discharged on any account (except misconduct) after Twenty-one Years' Service in the Royal Navy or Marines, or any greater length of Service, shall receive, subject to the conditions expressed in Article 7, a Pension, varying from Tenpence to One Shilling and Twopence a day, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond twenty-one years. But Marines who shall have entered the Service on or after the 26th of June, 1837, shall only be entitled to their discharge and pension when they have served twenty-one years at sea or on foreign service; two years service on shore in England is, for this purpose, to reckon as one year served afloat; but no Marine shall be entitled

to such pension who shall not have served ten years actually at sea or on foreign service.

Art. 4.—Every Able Seaman or Marine, who, after having served at the least Fourteen Years, shall be discharged for disability contracted in the Service, and not from want of proper cure on his part, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence a day: but if the injury be not considered permanent, a conditional Pension only shall be granted.

Art. 5.—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of disability contracted in the service, and not from want of proper cure on his part, may be awarded a Pension either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than Threepence or more than Sixpence a day, according to the bodily injury sustained by the party.

In cases where Seamen or Marines have received wounds or injuries in Her Majesty's Service, when the same shall not be found on examination of such degree as to entitle them to a pension, a gratuity may be made to them, at the discretion of their Lordships, of a sum

varying from 1*l.* to 18*l.*, in full compensation for such wound or injury.

Art. 6.—If any Seaman or Marine shall become totally blind from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent pension of Threepence a day, in addition to the amount to which he may be otherwise entitled.

Art. 7.—The time of service of Seamen or Marines who shall have entered the service prior to the 1st of January, 1832, is to reckon from the age of eighteen; but those who enter on, or subsequent to, the above date, shall only be allowed to reckon their time of service from the age of twenty; and Seamen who are claimants for pensions after twenty-one years' service, will only be entitled to the same, provided their servitude of twenty-one years shall have been completed within thirty years from the aforesaid age of twenty years, or that they shall not have been out of the service more than five years at any one time.

Art. 8.—An Ordinary Seaman shall receive three-fourths, a Landsman two-thirds, and a Boy one-half of the Pensions or Allowances hereby assigned to an Able Seaman.

Art. 9.—The following Petty and Non-Commissioned Officers, in addition to the Rates of Pension to which they may be entitled under Articles 2, 3, 4, and 6, as Seamen or Marines, shall be allowed for each Year's Service, as Petty or Non-Commissioned Officer, as follows, viz:—

Quartermaster-Serjeants, and Serjeant-Majors, who have served Three Years and upwards, and discharged with those Ratings after Twenty-one Years' Service, are to have Twopence a day, in addition to whatever Pensions they may be entitled to.

Art. 10.—Persons discharged with disgrace, or for offences, or by sentence of a Court-Martial, are not entitled to any Pension; and no period of time shall be allowed during which a Sea-

man or Marine shall not have maintained a good character in the Ship or Division to which he belonged. All Pensions are granted during good behaviour, and may be forfeited by mis-

conduct on the part of the Pensioner, to be judged of by the Lords Commissioners of the Admiralty; and if any Deserter shall be retaken, or shall re-enter Her Majesty's Service, he shall commence a new time from such re-entry, and shall not be entitled to reckon any time preceding such desertion or running.

Art. 11.—The invaliding tickets of men who may be discharged in consequence of complaints there may be reason to believe they had contracted previous to their having entered the service, are, whenever it can be ascertained, to contain a note to that effect; and the Captains of all Her Majesty's Ships are to state whether the disease or hurts for which they give an invaliding ticket were or were not contracted in the Ship under his command.

All Men invalided from Her Majesty's Service, whether Pensioners or not, who re-enter the Service, must produce their Invaliding Certificates or Pension Tickets, at the time of their re-entry, to the Captain and Surgeon of the Ship, in order that their cases may be fully known; and if they neglect to do this, or do not assign a sufficient reason for not doing so, they forfeit all claim to an increase of Pension for subsequent service.

Art. 12.—All claims to Pensions should be brought forward before the expiration of Six Months after the Individual is discharged from Her Majesty's Service, and all applications for pensions by Seamen or Marines must be accompanied by their certificates in original.

Art. 13.—Pensioners who shall not have been discharged as wholly incapable, or for having served Twenty-one years or upwards, or whose age shall not exceed Fifty years, may forfeit their Pensions by neglecting or omitting to attend at such Port or place, and at such time, as shall, in time of War, or in prospect of a War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the Admiralty, or by neglecting or refusing to serve Her Majesty in such manner as to the Lords Commissioners of the Admiralty may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by their Lordships.

Art. 14.—Seamen who have been granted pensions after twenty-one years' service, and who re-enter the service, will be allowed to receive their pensions with their pay while serving; but this regulation is not to extend to those Seamen who have been pensioned for sickness or injuries rendering them incapable of further service, except in such special cases as their Lordships may direct.

When Seamen serving on board Her Majesty's Ships, whether on a home or foreign station, who have completed a service of twenty-one years, shall be desirous of obtaining their pensions without quitting the service, and their Captains or Commanding Officers shall think it for the advantage of the service to retain them, the applications for the same are to be transmitted to the Admiralty by the Officer commanding the ship, with the usual statement of the ships in which they have served, in order that their time of service may be immediately taken out, and the pensions to which they may be entitled be then granted to them, without waiting until the men are paid off.

Art. 15.—On a ship being ordered to be paid off, the Captain or Commanding Officer is immediately to transmit to the Commander-in-Chief, for the purpose of being forwarded to the Secretary of the Admiralty, the names of

any Petty Officers or Seamen, or Non-Commissioned Officers or Privates of Marines (not exceeding in number the proportion of one for every hundred of the Crew), who shall have completed twenty-one years' service, who shall have behaved themselves invariably well in such ship, and shall be in possession of certificates of good conduct throughout their former service, together with a list of the ships in which the individuals may have served, when their Lordships will award them good service medals and gratuities; the medals in question to be presented by the Captain or Commander to the men entitled to the same in the presence of the whole of the ship's company the last thing prior to the ship's being paid off. The gratuities will be according to the following scale:—15*l.* to First Class Petty Officers or Sergeants of Marines, provided they shall have served as such ten years; 7*l.* to Second Class Petty Officers or Corporals of Marines, provided they shall have served as such seven years; and 5*l.* to Able Seamen or Privates of Marines.

The examinations of Seamen and Marines discharged on account of illness, or injuries, under twenty-one years' service, and who are claimants for pensions, are held at the Admiralty, Whitehall, on the 1st and 3rd Thursdays in each month.

Art. 6.—No Widow shall be entitled to the Pension who has not been married Twelve Months to the Officer by whose right she claims the same, unless the said Officer was killed or drowned in the Sea Service; but the Lords Commissioners of the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their Marriage, in such cases as they think proper.

Art. 7.—If any Officer shall marry after the Age of Sixty Years, his Widow shall not be entitled to receive the Pension; or, if being capable of Service, he should, at his own solicitation, be excused from it, being at the time warned that his Widow would thereby forfeit the Pension.

By command of their Lordships,

CHARLES WOOD.

Admiralty, 11th Oct. 1841.

MEMORANDUM.—The Lords Commissioners of the Admiralty are pleased to direct, with reference to the above Memorandum, that time served as Lieutenant in a separate command shall reckon as time served as First Lieutenant of a Rated Ship.

Admiralty,

18th December, 1833, and 3 Feb. 1842.

REGULATIONS FOR THE ENTRY AND RATING OF YOUNG GENTLEMEN AND CAPTAINS' CLERKS, ON BOARD HIS MAJESTY'S SHIPS AND VESSELS ON THE PEACE ESTABLISHMENT.

Cutters, Gun-Brigs, &c.	4

The Captains and Commanders of His Majesty's Ships and Vessels are to select and enter the established number of Mates and Midshipmen, on the first commissioning of their respective Ships or Vessels, as heretofore, obtaining the previous approval of the Lords Commissioners of the Admiralty, and observing that in the several Rates, the following numbers, viz.

3d Rates	6
4th, 5th, and 6th Rates.	4
Steamers	3
Sloops	2

Cutters, Gun-Brigs, &c.	2

are to be selected from among the Mates who have passed both examinations: if serving at home, or for seamanship, if serving abroad, one complete year; such selections to be made by the several Captains and Commanders, and permission for their entry may be applied for to their Lordships in the same manner as with regard to Mates or Midshipmen forming the other part of the complement; and, in failure of such application, the vacancies will be filled up by their Lordships.

Naval Cadets are not to be rated as Midshipmen until they shall have completed two years' service at sea.

In cases of re-admission to the Service, a statement of the date of the original entry into the Service, and of the cause of the late discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorize the entry.

A Return from every Ship, according to the established form, is to be transmitted quarterly to this Office, through the several Commanders-in-Chief, of the Mates, Midshipmen, Naval Cadets, and of Masters' Assistants, serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Rating of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be paid off, a similar Return is to be immediately made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that

on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned. In case of such serious misconduct as would require their being removed from the Service, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief; but any of the Classes before mentioned, being already in the Service, under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief abroad, without reference to their Lordships.

Their Lordships are also pleased to direct that no Captains' Clerks be in future entered, without their permission, who may not have already served in that rating on board one of His Majesty's Ships, or as Clerk to the Secretary of a Flag Officer (not being a Port Admiral) commanding a Squadron. Two Clerks will be allowed to all rated Ships, one of whom must be selected from those who have passed for Purser; and upon failure of the respective Captains to apply for permission for their entry in the usual manner, the vacancies will be filled by their Lordships. The names of the Captains' Clerks are to be included in the Quarterly Returns of Officers serving on board.

By command of their Lordships,

GEORGE ELLIOT.

MEMORANDUM.*Admiralty, 16th Dec. 1839.*

My Lords Commissioners of the Admiralty are pleased to direct that in future the names of all Mates who shall remain out of the Service for more than one year, without applying for an Appointment, shall be removed from the office of Register of Mates and Midshipmen, and they shall be considered as having relinquished the Naval Service; unless my Lords shall be satisfied that the omission proceeded from unavoidable causes.

MEMORANDUM.

Respecting the Rank and Appointment of Mates, as established by Her Majesty's Order in Council, of the 10th August, 1840.

Admiralty, 12th August, 1840.

All Midshipmen who shall have passed such Examination respecting their Qualifications for the appointment of Lieutenant as the Lords Commissioners of the Admiralty may from time to time direct, (if abroad, for Seamanship and Navigation, and if at home also at the Royal Naval College), shall be considered eligible to have Warrants or Commissions as

Mates in whatever Ship they may be serving; such Warrant or Commission will be given by the Lords Commissioners of the Admiralty, upon the recommendation of the Commanding Officer of the Ship in which the person may be serving, transmitted by the Commander in Chief or Senior Officer on the Station.

During their first three years of actual service as Mates in the Royal Navy they will take Rank with Ensigns in the Army, and after three years' service with Lieutenant in the Army, according to their seniority as Mates, to be computed from the dates of their original Warrants from their respective Captains, under the former regulations in respect to Mates.

Commanders in Chief on Foreign Stations may give Acting Warrants as Mates to such Midshipmen as may pass abroad for Seaman-ship and Navigation, which Warrants will be confirmed from their original dates if approved by their Lordships, provided they pass their examination at the Royal Naval College in two months after their arrival in England; but no person appointed to act as Mate or as Lieutenant is to be sent home from a Foreign Station for the purpose of passing such examination.

MEMORANDUM.

Admiralty, 17th Dec. 1841.

The Mates of the Royal Navy taking rank on the Navy List according to their first Warrants as such:—The Lords Commissioners of the Admiralty are pleased to direct, that in cases of a Midshipman having completed the required time to entitle him to pass for a Lieutenantcy, when the Ship to which he belongs shall happen to be detached so as to prevent his obtaining at the moment an examination according to the established Regulations, the Captain or Commander of the said Ship or Vessel in which such Midshipman may be serving, with the Senior Lieutenant or Second Officer, and the Master or Second Master, (according to the Class of Ship and the Rank of Officers on board of her,) assisted by the Naval Instructor, if there be one on board, may proceed to examine such Midshipman as to his qualifications to perform the duties of a Lieutenant of Her Majesty's Navy, and if they find him to be in their opinions duly qualified, they are to give him a Certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate, and it on the first opportunity that shall afterwards offer for his being re-examined according to the established Regulations, he passes successfully, his rank as Mate shall be enrolled according to the date of his first provisional Certificate above ordered.

By Command of their Lordships,
SIDNEY HERBERT.

MEMORANDUM.

Admiralty, 19th Oct., 1840.

The Lords Commissioners of the Admiralty are pleased to direct that the questions and instructions for the exercise and service of great guns on board Her Majesty's Ships shall form part of the examination of Midshipmen for the rank of Mate or Lieutenant, and that a Certificate shall be given to such only as may

answer and understand the several points to which these questions refer; and my Lords further direct that such portions of the Examination in the questions and instructions as can be carried on on board Her Majesty's Ship Excellent shall be made there, and that no Candidate for Examination shall be permitted to present himself at the College unless he produce a Certificate from the Captain of Her Majesty's Ship Excellent of his being qualified in Gunnery in addition to the usual certificate of his being qualified in seamanship.

By Command of their Lordships,
R. MORE O'FERRALL.

MEMORANDUM.

Admiralty, 20th July, 1842.

Adverting to the directions of my Lords Commissioners of the Admiralty which accompany the Questions in Naval Gunnery, issued by them on the 19th October, 1840, I am commanded by their Lordships to refer you to the subjoined Copy of a Letter from Captain Sir Thomas Hastings of the Excellent, relative to the state of preparation in which Midshipmen are found to be who present themselves for examination; from which Letter it appears to their Lordships that those directions have in numerous instances been very imperfectly obeyed, or the results stated by Sir Thomas Hastings would have been more satisfactory.

My Lords therefore desire the particular attention of the several Captains and Commanding Officers of Her Majesty's Ships to their said directions, and that they will frequently examine the Midshipmen on board their respective Ships, as to their proficiency in the explanations and instructions put forth in the Books on Gun Exercise and Naval Gunnery, so that when Young Gentlemen present themselves for examination on board the Excellent they may not be found so lamentably deficient in this important portion of their duty.

By Command of their Lordships,
SIDNEY HERBERT.

To all Commanders in Chief, Flag Officers, Captains, and Commanding Officers of Her Majesty's Ships and Vessels.

*Her Majesty's Ship Excellent,
8th June, 1842.*

Sir,—I have the honor to report, that since the order of the Lords Commissioners of the Admiralty was carried into effect, that Candidates should not be examined at the Royal Naval College, unless they produce certificates of qualification in Gunnery from the Captain of the Excellent, the Mates and Midshipmen who have presented themselves for examination in Gunnery on board that Ship have been very deficient, not only in a knowledge of the three books on Gun Exercise and Naval Gunnery, issued by their Lordships to all Ships for the instruction of the Mates, Midshipmen, and First Class Volunteers of Her Majesty's Navy, but also in their practical duties as Captains of Guns, and of Officers in command of the Quarters.

I have therefore permitted them hitherto to prepare themselves for examination on board the Excellent during the hours of instruction; but as it appears to me that great evil would result from perpetuating a system which involves ignorance of Gunnery nearly up to the time of passing, and also that it is clearly the intention of their Lordships, that the required knowledge should be gained

by Young Gentlemen during their six years of probationary service, under the Gunners Lieutenants, Naval Instructors, Mates, Gunners and Seamen Gunners, of the Ships in which they are serving, I feel it a duty to request that you will be pleased to state this case to the Lords Commissioners of the Admiralty, and to move their Lordships to signify their pleasure on it.

I have the honor to be, Sir,

Your most obedient humble servant,

THOMAS HASTINGS, Captain.

Admiral Sir Edward Codrington, G.C.B.

MEMORANDUM.

Admiralty, 14th August, 1839.

The Lords Commissioners of the Admiralty are pleased to direct, that, before any Naval Cadet who may hereafter be admitted into Her Majesty's service shall be rated Midshipman, he shall undergo an examination by a Captain or Commander of one of Her Majesty's ships, assisted by a Naval Instructor (neither of whom are to belong to the same ship as the Candidate), and shall produce a certificate under their hands that he possesses the undermentioned qualifications;—viz. a competent knowledge of Arithmetic, Geometry, and Trigonometry; a practical acquaintance with the use of the Quadrant, and its adjustments, and with the manner of making the requisite observations and computations for finding the latitude by the Sun, Moon, and Stars; of taking and working double altitudes, and keeping a ship's reckoning by the common rules, usually denominated a day's work.

In cases where the Captain, Commander, or Naval Instructor of another ship, may not be available at the time when any such volunteer may become eligible to be rated Midshipman, he may be examined by his own Captain or Commander, assisted by the Naval Instructor or Master of the ship in which he may be serving; and, on being found qualified, he may be rated Midshipman; but in this case the examination is to be made as herein first directed as soon as an opportunity of so doing shall occur, and according to the result of such examination the rating previously given is to be confirmed or disallowed.

By Command of their Lordships,
C. Wood.

MEMORANDUM.

Admiralty, 11th Oct. 1834.

It is the direction of my Lords Commissioners of the Admiralty that in each of His Majesty's Ships, commissioned after the date hereof, bearing in their complements one or more Naval Cadets, only one fresh entry into the Service shall be made; but the remainder shall be selected, where there are more than one, by the respective Captains or Commanding Officers, from Young Gentlemen who have already been in the Service, and submitted for the approbation of their Lordships.

Ships now in commission are not to be allowed any fresh entry of Volunteers into the Service.

By command of their Lordships,
JOHN BARROW.

MEMORANDUM.

Admiralty, 18th Oct. 1837.

All Flag Officers who have been appointed to Commands or to the Ports, since the 1st January, 1837, and who shall hereafter be ap-

pointed, to be allowed a fresh entry of one Naval Cadet, in addition to the one applied for by the Captain of the Flag Ship.

MEMORANDUM.

Admiralty, 14th August, 1841.

All Flag Officers and Captains of Line of Battle Ships, appointed subsequent to 1st August, to be allowed two fresh entries of Naval Cadets.

By Command of their Lordships,
J. PARKER.

RULES AND REGULATIONS RESPECTING THE EXAMINATION AND APPOINTMENTS OF ENGINEERS IN HER MAJESTY'S SERVICE.

EXAMINATION.—No person will be deemed eligible for an appointment as Engineer, or for promotion to the Second or First Class, until he shall have passed an examination on the points stated below, or on such other points as the Lords Commissioners of the Admiralty may from time to time think proper to require, before the Captain Superintendent of Her Majesty's Dock Yard at Woolwich, and the Chief Engineer and Inspector of Machinery, or before such other Officers as their Lordships may appoint for that purpose.

Before presenting himself for examination, the candidate must prepare specimens of working sketches, and of his proficiency in accounts.

FIRST CLASS ENGINEERS.—No person will be considered qualified to hold the Warrant of a First Class Engineer who is not able to keep accounts, and to make notes in the Log of every particular of the working of Engine and Boilers.

He must be thoroughly acquainted with the principles on which the machine works in all its parts, capable of working the engines and boilers, and of setting right any defects which may arise in them, and of adjusting the length of the various rods and motions, slide valves, eccentrics, &c.

He must also be able to make rough sketches, with the requisite dimensions fit to work from, of every part of an engine, and be willing to take charge of and teach the Engineers' Boys.

SECOND CLASS ENGINEERS. Must not be inferior in education to those of the First Class, and but little inferior to them in mechanical acquirements, and must also be willing to take charge of, and teach the Engineers' Boys.

THIRD CLASS ENGINEERS. Must be equal in education to the Second and First Class Engineers, and acquainted with the principles of Marine Engines and Boilers, and with the names and uses of all their parts. They must also be able to make rough sketches as before described.

Those who have not served in Her Majesty's Navy as Engineers' Boys must be examined by the Surgeon of the Establishment as to their being of sound bodily constitution, and they must produce well-authenticated certificates from the Engineers in whose Factories they have worked, of their being skilful workmen, of good disposition, and of good conduct.

in every particular, especially as regards sobriety.

Appointment.—Engineers are appointed by Warrant from the Lords Commissioners of the Admiralty, or by Commanders in Chief on Foreign Stations in vacancies occasioned by death, in the same manner as other Warrant Officers of the Navy are appointed.

No person will be considered eligible for a Second Class Engineer without having served at sea as an Engineer, nor for the First Class without having served as Chief Engineer of a sea-going Steam Vessel; in either case, the candidate must produce satisfactory testimonials of his efficiency and good conduct while thus serving at sea.

An Engineer after having served 3 years in the Third Class will be permitted, if he can produce good certificates from the Commanders under whom he may have served, to present himself for examination for the Second Class, when a suitable opportunity shall offer, and in like manner after having served 3 years in the Second Class, he will be permitted to present himself for examination for the First Class. If, however, on examination it shall appear to the examining Officers that the qualifications of a candidate are such that a shorter period than 3 years may be sufficient to enable him to acquire the experience necessary for performing the duties of a higher class, a note thereof, with the reasons, will be made upon the passing certificate, which will render him eligible for examination and promotion in less than 3 years, if his subsequent conduct should appear to merit it.

REGULATIONS AS TO THE INSTRUCTION AND QUALIFICATIONS OF ENGINEERS' BOYS.

FOURTH CLASS.—Boys on entering the Service as Fourth Class Apprentices must not be less than 14, nor more than 17, years of age. They must be of good moral character and sound bodily constitution, and able to write, and work a question in the Rule of Three.

THIRD CLASS.—At the expiration of their third year of service, provided their conduct has been good during that period, the boys will be considered eligible for removal to the *Third Class*, if on examination they appear to have made themselves acquainted with the names and uses of every part of the engine, gauges, barometers, &c.

SECOND CLASS.—If boys on the fourth year from their entrance into the service, be acquainted, through the instruction of the Engineer under whom they may be placed, with the whole principle of the engine and boilers, with the use of all the various tools, and with the mode of effecting repairs, as far as they are performed on board; if they be able to take off and replace any of the working parts; pack the slide valves, pistons, piston-rods, and stuffing-boxes; if they understand the action and condensation of steam, the return of the water into the boilers, the construction of all the pumps and of the feeding and blowing off apparatus, safety-valves, &c., and can chalk out roughly the outlines of the engines and wheels, and have become generally useful, they will be considered fit for removal to the *Second Class*, provided their conduct has been good.

Boys of the Second Class, having attained the fifth and last year of their service, will be transferred to Her Majesty's Dockyard at Woolwich, where they will receive instructions on various subjects connected with the con-

struction and management of engines and boilers.

FIRST CLASS.—At the expiration of the fifth year, if, on a strict examination, the boys be found qualified for the appointment of Third Class Engineers, and their conduct has been in all respects satisfactory, they will be removed to the list of the *First Class*, and be considered candidates for promotion, and will take precedence according to conduct and abilities.

By command of their Lordships,

SIDNEY HESBERT.

MEMORANDUM.

Admiralty, 20th Dec. 1838.

Her Majesty having been graciously pleased to sanction, by Order in Council of July 8th, 1838, the establishment of further means of scientific education for a certain number of Officers and Mates of Her Majesty's Naval Service, under such regulations as the Lords Commissioners of the Admiralty may frame from time to time:

Their Lordships have directed that for this object—Thirty additional Mates, who have passed both the Examination in Seamanship and in Navigation, shall be borne on the books of the Excellent.

They will receive Sea-pay, and be in all respects under Naval discipline; but they will receive the usual allowance instead of being victualled, and be lodged in the Royal Naval College. Any further expense will be defrayed by themselves.

They will be selected from such as have passed the Ordinary Examination on board the Excellent, and a preference will be given to those who shall have passed the best Examination.

They will receive Instruction at the Royal Naval College for the space of one year, and then be discharged.

An Examination will take place at the end of every six months.

The Mate who passes the best Examination, provided he produces satisfactory Certificates of character and professional ability from the Captains with whom he has served, and during the period of his Instruction, will receive a Lieutenant's Commission; provided always he attains a certain fixed degree of proficiency.

A limited number (Ten) of Commissioned Officers of any Rank may avail themselves of the instruction thus afforded, for the space of one year. No expense will be incurred on their account; and they will be expected to pass the ordinary examination of the Excellent before they are admitted to the Instruction at the Royal Naval College.

By Command of their Lordships,
C. Wood.

Admiralty, 14 March, 1842.

REGULATIONS FOR GRANTING ALLOWANCES FOR THE LOSS OF CLOTHING, INSTRUMENTS, &c.

Her Majesty having been graciously pleased, by Her Orders in Council of the 10th of August, 1840, and 11th instant, to direct that Officers of all ranks and classes in the Royal Navy and Marines, and also Seamen, and Privates of Royal Marines, shall receive a compensation for the loss of their Instruments, Clothing, and other effects, subject to such Rules and Regulations as the Lord Commissioners of the Admiralty may think fit to establish: provided they shall be acquitted of all blame as to the cause of any such loss, their Lordships are pleased to give notice that the following Regulations shall be observed in respect to the granting of compensation for such losses.

1. That the principle upon which allowances for articles lost on Service are granted shall be, that of enabling individuals to re-equip themselves for Service,—and allowances are therefore not to be considered as given for the purpose of making good the full amount of loss sustained.

2. Allowances are to be only made for losses which have been altogether unavoidable, such as losses in action with the enemy; by accidental fire; by shipwreck; by capture at sea: provided that in all these cases, every exertion was used to prevent the loss, and that it was not incurred by the neglect or fault of the applicant for relief; and in no case will an allowance be made exceeding the maximum sums stated in the Schedule attached hereto.

3. If the Admiral or Commanding Officer of the Squadron on the spot, shall be satisfied on inquiry that losses have been unavoidably sustained, which in his opinion may admit of compensation on the principles laid down in the foregoing Regulation, though not precisely specified therein, he shall be at liberty to make a special representation thereof, transmitting the necessary proofs to the Secretary of the Admiralty for final decision.

4. No claim will be admitted from the representatives of Officers or men slain in action, or dying in consequence of wounds.

5. Whenever baggage or articles of equipment are sent by a vessel, in which the Officer to whom they belong is not himself a passenger, it is incumbent upon such Officer to protect himself against loss, by effecting an insurance thereupon; and if he has an opportunity of doing so, and neglects to avail himself of it, no compensation will be given by the public for any loss that may happen.

If any loss shall occur under circumstances which give the Officer a claim to indemnification from the party through whose fault it happened, no allowance for such loss will be made by the public; but should the Officer desire it, and lose no time in making application to the Officer commanding Her Majesty's ships on the spot, an inquiry will be ordered, to afford every possible assistance in substantiating the claim, by making the necessary inquiries, and obtaining proper documents to prove the facts of the case.

6. When losses occur on Service, the Admiral shall order, with all convenient dispatch, an investigation of claims arising from those losses, which inquiry is to be conducted on the principles laid down in this Regulation, and the several proofs to be produced in the forms

hereinafter described; and the whole of the proceedings, or certified copies thereof, are to be transmitted to the Officer commanding the Squadron, for his observations and opinion, and by him forwarded to the Secretary of the Admiralty for their Lordship's final decision.

7. In all cases which are not attended with the entire loss of clothes of an Officer, Seaman, or Marine, no claim is to be allowed, unless the loss extends to the value of one-fourth of the amount allowed as compensation for the whole in each rank; and a list of the articles lost shall be delivered, and the Investigating Officer shall report whether he deems one-fourth, one-half, or three-fourths of the sum allowed for the whole, a sufficient compensation for the loss so sustained.

8. If an Officer, Seaman, or Marine, shall have neglected to bring forward his claim for a period exceeding one month from the date of his loss, this delay shall be considered a sufficient reason for rejecting the claim, however valid it may be in other respects; unless the claimant can prove that he was unavoidably prevented from making an earlier claim.

Personal Losses of Officers.

9. The whole equipment of Officers of the several ranks, including the articles in wear, shall be valued according to the scale No. 1.

10. The claims of all Officers to allowance for articles lost on Service, shall be made out, and certified according to the form No. 2; and separate Lists shall be transmitted of all Instruments and Books, subjects strictly professional, shewing their original cost, and the amount of the damage they may have sustained.

11. If losses should occur in other situations where a greater extent of equipment is absolutely required by the nature of the Service, the actual amount of loss suffered, and the circumstances attending it, may be specially stated at any inquiry appointed for the investigation of losses; such inquiry proceeding in the investigation of the claim upon the same principle as in the preceding article.

The opinion of the Officers assisting at such inquiry, will be forwarded for the consideration of their Lordships.

12. Losses of necessaries incurred by the Purser, shall be made the subject of a special application and decision in each particular case.

13. No allowance shall be granted for losses sustained by Officers when proceeding on, or returning from leave of absence.

14. No claim shall be admitted on account of the loss of money, being the private property of individuals.

Losses of Petty Officers and Seamen, and of Non-commissioned Officers and Marines.

15. Claims on account of Losses on Service by Petty Officers, Non-commissioned Officers, Seamen and Marines, individually, are to be made out and certified according to Form, No. 3.

16. All admissible claims of this description shall be settled by allowing for the whole, or for a certain proportion, or rate, of a complete set of Bedding or Clothing, according to the circumstances of each case.

By Command of their Lordships,
SIDNEY HERBERT.

This Institution originated in the benevolent design of the late Admiral Sir Thomas Williams, G.C.B.; who, with a view to its formation and permanent establishment, munificently bestowed the sum of 1000*l.*, to be invested in trust as the basis of an endowment fund; and, in order to meet the usual difficulties

of a newly formed Institution, he further most liberally arranged, that the rent of the Establishment at Richmond should be defrayed from his estate, by the additional contribution of 100*l.* per annum, for a period of seven years.

The object of the Institution will be best shown, and its commendation and support most

ROYAL NAVAL FEMALE SCHOOL.

effectually secured, by a simple quotation from the laws, extracted from the printed Report, giving a clear definition on this point:—

“The object of the Royal Naval Female School, as established on the 2nd of April 1840, agreeably to the intention of its benevolent founder, is to bestow upon the daughters of *necessitous* naval and marine officers, of and above wardroom rank, at the lowest reduction of cost practicable, a good, virtuous, and religious education, in conformity with the principles and doctrines of the Church of England.”

At present there are eighty-three daughters of naval and marine officers receiving to the full, as far as circumstances will permit, the advantages proposed by the benevolent founder; of these, twenty-seven are received at the annual payment of Thirty Guineas; the rest, fifty-six in number, all daughters of more *necessitous* officers, are boarded and educated, at the entire cost to the parents or guardians of 12*l.* per annum; the establishment defraying the larger amount of actual cost, through the means of voluntary contributions. Of the number of pupils on the reduced scale of payment, ten have lost both parents, and sixteen others have lost their fathers.

The Institution has already been of sufficient duration to establish a high character for its efficiency and advantages, as a seminary for Female education; the best testimony to which, in addition to concurrent public opinion, is derived from the invariable satisfaction expressed by the parents of the pupils, and the numerous pressing demands which are continually made for admission.

Hitherto, it has been the object of the Com-

mittee to afford to the fullest extent practicable, the justly appreciated benefits which such an Institution offers to the Naval profession; ever adjusting their arrangements, both as to extension and limitation, with a minute regard to the balance of receipt and expenditure.

The experience of four years has taught the Committee the necessity of using every possible effort to secure the Institution against the contingent support which mere occasional contributions afford; and this necessity becomes increased by the fact, that at the expiration of three years more, the payment of the rent of 100*l.* per annum, so generously granted by their late esteemed founder, will cease, and the Establishment will have to bear this additional expense.

The Committee acknowledge with gratitude the fair proportion of public support which they have hitherto obtained, and, from the liberal aid already experienced from many members of the Naval profession, they confidently hope that when the Establishment becomes more generally known amongst their brother officers, it will receive the support of those who have not yet contributed to its funds.

The above particulars, briefly and frankly stated, will doubtless suffice to make it apparent, that there is an imperative necessity for extra exertion, both to secure the Royal Naval Female School from any diminution of its present state of usefulness, and for the means of its permanency and enlargement; and the Committee would still cherish a confident hope in public generosity, towards an object so essentially important to the Navy in particular, and so palpably beneficial in its relation to the community at large.

By order of the Committee,]

FRANCIS MAUDR, Commander, R.N. } *Hon. Secretaries.*
GEORGE HOPE, Commander, R.N.

1st January, 1845.

Contributions will be thankfully received and acknowledged, and every information afforded, by Mr. Arthur Ellis, Purser, R.N., the Secretary, at 32, Sackville-street, Piccadilly.

Donations and Subscriptions will also be received in London, by the Banking-houses of Messrs. Cocks, Biddulph, and Co., and Williams, Deacon, and Co., and by Messrs. Hatchard, Piccadilly, and Nisbet, Berners-street, and by all the Navy Agents.

KNIGHT COMMANDER.

+ Rear-Admiral Hon. Sir Anthony Maitland... 26 Feb 20.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. That no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual (directed to the Earl Marshal of England), granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of such Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:—

6th. "That His Majesty's Licence and permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these realms."

N.B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

CASTLEREAGH.

Her Majesty has been pleased further to direct,—

7th. "That if the Service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2nd Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such Service."

8th. "When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Declaration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honor strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

MATES.

Two Shillings and Sixpence a day after three years' actual Sea Service as Mates, and when unable to obtain employment in Her Majesty's Service, provided their conduct during service shall have been satisfactory, and provided they do not decline or avoid service when called upon.

The Lords Commissioners of the Admiralty are empowered to allow any Mate to retire from the service, with a Pension of Two Shillings and Sixpence a day after Twenty Years' actual Service, during Ten Years of which he must have held the rating of Mate.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the Invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be resipited.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

LEAVE.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to His Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (*stating the date their last letter of leave bore*) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

At the expiration of three months after the leave has expired, their half-pay will be resipited (*30th April, 1830*).

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

TO AFFIX RANK TO SIGNATURE.

Admiralty, 4th Jan., 1811, and 21st Feb., 1839.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of His Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

J. W. CROKER.

By Order in Council of the 20th November, 1824, the Address in full of the Officer is to be inserted. No Alteration, Erasure, or Interlineation will be admitted, nor are Declarations to be made before a Master or Masters Extraordinary in Chancery.

Admiralty, 30th September, 1835.

In pursuance of His Majesty's Order in Council, Notice is hereby given, that all Officers of the Royal Navy receiving Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Declaration, the Place of their residence at the date of each Declaration, otherwise it will not be received.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which has sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioned and Warrant Officers of His Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quar-

ter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1833.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Paymasters and Purser—Masters—Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals—Captains—Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By command of their Lordships,
JOHN BARROW.

CHAPLAINS.

Regulations under His Majesty's Order in Council of 31 July, 1835, for the admission of Chaplains into His Majesty's Naval Service:—

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or who shall not have been graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from two beneficed clergymen of his good moral and religious conduct, or who shall not have been examined by some competent person to be appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to His Majesty's service the situation of Chaplain.

CHARLES WOOD.

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years' service at sea; that I have not between the day of _____ and the _____ day of _____ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, 10th Sept., 1842.

REGULATIONS FOR THE QUALIFICATION OF NAVAL INSTRUCTORS. ESTABLISHED BY ORDERS IN COUNCIL OF THE 22nd DEC., 1836, 10th AUGUST, 1840, AND 11th MARCH, 1842.

Naval Instructors and Schoolmasters are hereafter to be designated "Naval Instructors," and Chaplains on being appointed to act as Naval Instructors are to be designated "Chaplains and Naval Instructors."

No person will be considered eligible for a Warrant as Naval Instructor who is under 20 years of age or more than 35.

Before any person can hereafter be received on board Her Majesty's ship "Excellent" as a candidate for an appointment as Naval Instructor, he will be required to produce a certificate of his age, and testimonials of good character; and both laymen and clergymen when appointed to act as Naval Instructors must pass an examination as to their qualifications to instruct the young Officers in the following branches:—

1st. Common Arithmetic, including Vulgar and Decimal Fractions.

2nd. The first six and the eleventh books of Euclid.

3rd. Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.

4th. Plane and Spherical Trigonometry, theoretical and practical.

5th. Nautical Astronomy, particularly the principles on which the various rules for finding the Latitude and longitude are founded.

6th. Mechanics.

7th. Hydrostatics.

8th. A competent knowledge of the Classics.

The final examination of Candidates for Naval Instructorships will comprise:—

1st. The usual College passing examination in Navigation.

2nd. The application of the theory of Projectiles to Gunnery.

3rd. Observations with the Sextant, &c. The use of the Azimuth Compass and Chronometers, &c. Perfect proficiency will be expected in observing: 250 numbers will be required to pass a Candidate in the College Paper, and 55 is to be the minimum number for observations.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, is not considered as indispensable, it is very desirable that Naval Instructors should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

No Naval Instructor who shall retire from his employment without the approbation of the Lords Commissioners of the Admiralty, or who shall refuse or avoid service if found capable of serving, shall be allowed to receive Half-Pay; and his name in such case will be removed from the List of Naval Instructors.

The Naval Instructor is to be considered in all respects a Ward Room Warrant Officer. Unless they be in Holy Orders, they are to wear the same uniform as Masters, but without epaulettes or gold lace on the trousers.

By Command of their Lordships,
SIDNEY HERBERT.

MEMORANDUM.

Admiralty, June 7th, 1839.

All Candidates for Naval Instructorships who may be sent to the *Excellent*, are to be examined (previous to commencing the course of Instruction) touching their Mathematical attainments, which it will be expected should be

sufficient to admit of their proceeding at once to the study of Nautical Astronomy. C. Wood.

That in all cases in which supernumeraries, whether officers or men, shall be borne by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, or by other proper authority, they shall share with the respective ranks in which they may be acting: Provided always, that no flag-officer, or other person, not actually present at the capture or destruction of any pirate vessel, shall be entitled to share in any distribution of the proceeds or bounty in respect of the crews of such piratical ships, vessels, or bonts; and also that no flag-officer, or other person, who shall not have been actually on board of any of Our ships, or vessels of war, or at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war or privateers belonging to the enemy, shall be entitled to share in the distribution of any tender bounty-money, granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel.

And We do hereby further direct, that the following regulations shall be observed, with respect to the share before-mentioned to be given to the flag-officer or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel, shall be deemed to be under the command of a flag when he shall have actually received some order from, or be acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, which circumstance is to be always carefully noted in the log-book, and shall be considered to continue under the command of the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by some other flag-officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being. That when ships or vessels under the command of several flags which belong to separate stations, shall happen to be joint captors, each

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And that when such lists shall have been duly examined with the muster books of such ships and vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated or appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and

seizures, and the rewards conferred for the same, and shall be otherwise aiding and assisting to the said agents in all such matters as shall be necessary.

And We further direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein provided for, or not sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be considered as final, and have the same force and effect as if specially provided for in Our Royal Proclamation.

Provided always, that the distribution hereinafore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Royal Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We hereby further direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said Royal Proclamation dated nineteenth March one thousand eight hundred and thirty-four.

Given at Our Court at St. James's, this third day of February, in the year of Our Lord one thousand eight hundred and thirty-six, and in the sixth year of Our reign.

A PROCLAMATION.

WILLIAM R.

WHEREAS it has been represented unto Us by Our Commissioners for executing the Office of Lord High Admiral, that considerable doubts have arisen on the interpretation of those clauses of Our Royal Proclamations, dated the nineteenth of March one thousand eight hundred and thirty-four, and third of February one thousand eight hundred and thirty-six, which direct that the said Proclamations shall take effect from the periods at which notice thereof shall have been received in the several Courts of Vice Admiralty; and that in many instances the distribution of bounty for captured Slaves is actually delayed in consequence of such doubts; and it has been humbly submitted to Us, by Our said Commissioners that in order to obviate the same, it is expedient to assign a precise and uniform date at which each of the said Proclamations of one thousand eight hundred and thirty-four, and one thousand eight hundred and thirty-six, are respectively to take effect. We do, therefore, by and with the advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby directing, that distribution be made by the scale authorized in Our said Proclamation, dated the nineteenth of March one thousand eight hundred and thirty-four, with regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in the High

Court of Admiralty, in any Vice-Admiralty Court, or any Court of mixed Commission, from and after the first day of August one thousand eight hundred and thirty-four, inclusive; and hereby further directing that distribution be made according to the Scale authorized by Our Proclamation, dated the third of February one thousand eight hundred and thirty-six, in regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in any such Courts as aforesaid, from and after the first day of July one thousand eight hundred and thirty-six, inclusive; save and except, that in cases of distributions already made, the proceedings therein are not to be subject to revision, as being in any way vitiated by this Our Royal Proclamation.

Given at Our Court at Brighton, this thirtieth day of November, in the year of Our Lord one thousand eight hundred and thirty-six, and in the seventh year of Our reign.—GOD SAVE THE KING.

Admiralty, 3rd July, 1827.

His Royal Highness the Lord High Admiral having received a representation from the Governors and Directors of Greenwich Hospital, that many instances have occurred in which the Regulations contained in His Majesty's Proclamation, dated the 12th of July, 1819, in regard to the Freight of Treasure on board His Majesty's Ships, have been either wholly neglected, or only partially complied with, His Royal Highness feels himself under the necessity of bringing to the recollection of all Officers who may be intrusted with the Freight of Treasure, the several provisions of His Majesty's Proclamation aforesaid, and to repeat the General Orders issued by the Lords Commissioners of the Admiralty, on the subject of Freight since the promulgation of the said Proclamation.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS by an Act passed in the Fifty-ninth Year of the Reign of His late Majesty King George the Third, Chapter 25th, intitled *An Act to enable His Majesty to fix a Rate and direct the Disposal of Freight Money for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels*, it is enacted, that from and after the Eighth Day of April One thousand eight hundred and nineteen, all Freight Money to be paid for the Conveyance, on board any of the Ships and Vessels of His Majesty, of Gold, Silver, and Jewels, or of any other Article which may by special Order be received on board, and for which Freight shall be payable, shall be paid at such Rate, and be distributed and applied for such Purposes, and divided to and amongst such Persons, in such Proportions, and after such manner, as His Majesty, His Heirs and Successors, should from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that Purpose; in pursuance of which Act a Proclamation was, on the Twelfth Day of July following, made and issued by His Royal Highness the then Prince Regent, in the Name and on the Behalf of His said Majesty, whereby, amongst other things, a Scale of Rates at which Freight should be payable for Public and Private Treasure respectively, in Peace and War, and for different Voyages, was fixed and established: And whereas We have thought fit to order that the said Rates should be altered; We have therefore, by and with the advice of Our Privy Council, deemed it expedient to issue this Our Royal Proclamation, and We do hereby ordain,

declare, and command, That from and after the First Day of September next, the said Scale of Rates so fixed shall cease and be no longer in force: And We do further declare, That from thenceforth the following Rates shall be established during Peace and War;

	For Crown Treasure	For Treasure belonging to other Parties.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth Day of July One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Twenty-third Day of April One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed

Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Eighth Day of June One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October, 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,

SIDNEY HERBERT.

QUALIFICATIONS for the LOWER SCHOOL of the ROYAL HOSPITAL, GREENWICH.

No. 1.

Royal Hospital Greenwich.

Herewith you will receive the Rules and Regulations for the admission of Children into the Lower School of this Institution; and you are particularly desired to read the same with attention, and comply therewith in every respect, as far as relates to your case.

Great delay having frequently happened, and in some instances the benefit of the Institution been entirely lost to Children, by neglecting to send the whole of the Documents, and answer the several questions; you are hereby informed that unless you comply with these directions, your claim must necessarily be rejected.

Clerk of the Cheque.

This School consists of Boys, the Sons of Warrant and Petty Officers and Seamen,

and of Non-commissioned Officers and Privates of Marines, who have served or are serving in the Royal Navy: they are eligible from Nine to Twelve Years of Age, and quit the Institution at Fifteen. They are to be sent to Sea if Situations can be provided for them; and any unprovided for at Fifteen to be taken away by their Parents or Guardians.

They must be free from any impediment of speech, or other infirmity of body or mind.

They are admitted, on application to the Governor, upon the following Scale:—

1st—Those whose Fathers have been killed or drowned in Her Majesty's Service, and are destitute of Mothers.

2nd—Those whose Fathers have been killed or drowned in Her Majesty's Service, whose Mothers are living.

3rd—Those whose Fathers have died in the Service, and have lost their Mothers.

4th—Those whose Fathers have died in the Service, and have Mothers living.

5th—Those whose Fathers have been wounded or maimed in Her Majesty's Service, or are, after long Service, incapable of further Service.

6th—Those whose Fathers are actually employed on board any of Her Majesty's Ships, and whose Mothers have died.

7th—Those whose Fathers are actually serving

on board any of Her Majesty's Ships, and whose Families are numerous and in need.

Cases not exactly provided for in the above Scale will be admitted at the discretion of the Governor or those he may depute to investigate these claims, having reference to the Services and state of Distress of the Parents of the Applicant.

Any Boy of this School may be removed to the Upper School, if not exceeding Twelve Years of Age, on obtaining a Presentation to the said School, and producing a Certificate of Character and Abilities from the Master of the Lower School.

In all Cases the following Certificates must be produced, viz.—

A Certificate that the Child is an Object of Charity (*for which see p. 167*).

A Certificate of the Marriage of the Parents—or, if not attainable, other satisfactory proof thereof.

A Certificate of the Father's Servitude at Sea, which will be obtained by the Institution, as soon as the form is returned.

A Register of Baptism.

If the date of birth is not *officially* stated in the Register of Baptism, a declaration of the day of birth before a Magistrate must be produced.

FORM OF APPLICATION.

The Columns below must be properly filled up according to the circumstances of the case, and also the Certificate and Engagement at the foot thereof. When this Form and the other Documents are returned due notice will be given, without further application, if the Child is ordered for admission.

Any attempt to impose on the Institution—by false Information or Documents—by altering dates in Certificates—or the fraudulent substitution of one Child in place of another—will entirely vitiate the Claim, and subject the parties to a prosecution.

Return this and the other Documents to the Clerk of the Cheque under the accompanying Cover.

MEMORANDUM.

Admiralty, 1st May, 1848.

The Lords Commissioners of the Admiralty are pleased to direct that the annexed Memorandum, which has been transmitted from the Colonial Department, be promulgated for the information of Officers of the Royal Navy and Marines proposing to settle in the Australian Colonies.

All former notices on the subject of Officers settling in the Colonies are to be considered as obsolete.

By Command of their Lordships,
JOHN BARROW.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PURPOSING TO SETTLE IN THE BRITISH COLONIES.

1. The Colonies in which Military and Naval Officers are allowed privileges in the acquisition of public lands are the following:—First, the Australian Settlements, consisting of New South Wales, Van Diemen's Land, South Australia, Western Australia, and New Zealand; secondly, Ceylon; thirdly, Nova Scotia and Cape Breton, the only province in North America where privileges are still allowed.

2. In the different Australian Settlements, and in Ceylon, land is disposed of by sale only; but Officers purchasing land, are allowed a remission of the purchase money, according to the under-mentioned scale:—

Field Officers, of 25 years' service and upwards, in the whole 800l.

Field Officers, of 20 years' service and upwards, in the whole 250l.

Field Officers, of 15 or less years' service, in the whole 200l.

Captains, of 20 years' service and upwards, in the whole 200l.

Captains, of 15 years' service or less, in the whole 150l.

Subalterns, of 20 years' service and upwards, in the whole 150l.

Subalterns, of 7 years' service and upwards, in the whole 100l.

Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this Rule.

In Nova Scotia and Cape Breton, allotments of Land are granted to Officers on the following scale and conditions, viz:—

To a Lieut.—Colonel.....1200 acres.

To a Major.....1000 acres.

To a Captain.....800 acres.

To a Subaltern.....500 acres.

3. Officers of the Army or Navy, proposing to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with Certificates from the office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, or of the Master General of the Ordnance, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the Colony where they propose to settle, are admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being al-

lowed the indulgence, and that the statement of their rank and length of service is accurate; and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army; Pursers, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the Royal Navy rank with Ensigns in the Army, and Mates of three years' standing, with Lieutenants in the Army, and are entitled respectively to corresponding privileges in the acquisition of Lands.

6. Gentlemen who have ceased to belong to Her Majesty's Service are not allowed the advantages to which they were entitled while in the Army or Navy. This rule, however, is not to affect Officers who desire to quit the service, for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the General Commanding in Chief, or from the Lords Commissioners of the Admiralty, or from the Master General of the Ordnance, that they do so with the view of emigrating, and such certificate, if produced to the Governor of any of the Colonies before-mentioned within one year from its date, but not otherwise, will be a sufficient warrant for allowing the bearer the same advantages as Officers who are still in Her Majesty's Service.

7. An actual residence of two years in the Colony must be proved before the Title can be granted, except in cases in which death may have occurred before the expiration of that period.

8. For the convenience of Officers, the following heads are subjoined of the Rules for the Sale of Land in the Australian Settlements:—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than 1l. per acre; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one-tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price: these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

9. In Ceylon, land is sold by auction at an

upset price of 5s. per acre, generally in lots of 100 acres each.

10. The several prices above mentioned are of course subject to revision at any time by the proper Authorities, and the pecuniary amount of the Remission made to Officers cannot be increased on account of an increased value set upon the Lands.

September, 1843.

MEMORANDUM.

Admiralty, 26th August, 1841.

Her Majesty having by Her Order in Council of 10th August, 1840, ordered that Mates in the Royal Navy shall rank with Ensigns in the Army, and Mates of 3 years' standing with Lieutenants in the Army, Her Majesty's Government have recognised the claims of these Officers to the same advantages in the acquisition of Land in the Australian Colonies and in Ceylon, which are enjoyed by Subalterns in the Army under the Regulations of August, 1838.

By Command of their Lordships,

J. PARKER.

ORIGINAL CERTIFICATES AND PAPERS.

Admiralty, 17th August, 1827.

His Royal Highness the Lord High Admiral desires that Officers, or other persons, having occasion to transmit Certificates and other Documents either to His Royal Highness, his Council, or his Secretaries, will not send the *original* Certificates or Documents, but only *copies* thereof, which copies will remain in this Office, annexed to the Letter or Memorial to which they may belong. If, however, the parties shall choose to transmit their *original* documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.

This Institution originated in the benevolent design of the late Admiral Sir Thomas Williams, G.C.B.; who, with a view to its formation and permanent establishment, munificently bestowed the sum of 1000*l.*, to be invested in trust as the basis of an endowment fund; and, in order to meet the usual difficulties

of a newly formed Institution, he further most liberally arranged, that the rent of the Establishment at Richmond should be defrayed from his estate, by the additional contribution of 100*l.* per annum, for a period of seven years. The object of the Institution will be best shown, and its commendation and support most

effectually secured, by a simple quotation from the laws, extracted from the printed Report, giving a clear definition on this point:—

"The object of the Royal Naval Female School, as established on the 2nd of April 1840, agreeably to the intention of its benevolent founder, is to bestow upon the daughters of necessitous naval and marine officers, of and above wardroom rank, at the lowest reduction of cost practicable, a good, virtuous, and religious education, in conformity with the principles and doctrines of the Church of England."

At present there are eighty-three daughters of naval and marine officers receiving to the full, as far as circumstances will permit, the advantages proposed by the benevolent founder; of these, twenty-seven are received at the annual payment of Thirty Guineas; the rest, fifty-six in number, all daughters of more necessitous officers, are boarded and educated, at the entire cost to the parents or guardians of 12*l.* per annum; the establishment defraying the larger amount of actual cost, through the means of voluntary contributions. Of the number of pupils on the reduced scale of payment, ten have lost both parents, and sixteen others have lost their fathers.

The Institution has already been of sufficient duration to establish a high character for its efficiency and advantages, as a seminary for Female education; the best testimony to which, in addition to concurrent public opinion, is derived from the invariable satisfaction expressed by the parents of the pupils, and the numerous pressing demands which are continually made for admission.

Hitherto, it has been the object of the Com-

mittee to afford to the fullest extent practicable, the justly appreciated benefits which such an Institution offers to the Naval profession; ever adjusting their arrangements, both as to extension and limitation, with a minute regard to the balance of receipt and expenditure.

The experience of four years has taught the Committee the necessity of using every possible effort to secure the Institution against the contingent support which mere occasional contributions afford; and this necessity becomes increased by the fact, that at the expiration of three years more, the payment of the rent of 100*l.* per annum, so generously granted by their late esteemed founder, will cease, and the Establishment will have to bear this additional expense.

The Committee acknowledge with gratitude the fair proportion of public support which they have hitherto obtained, and, from the liberal aid already experienced from many members of the Naval profession, they confidently hope that when the Establishment becomes more generally known amongst their brother officers, it will receive the support of those who have not yet contributed to its funds.

The above particulars, briefly and frankly stated, will doubtless suffice to make it apparent, that there is an imperative necessity for extra exertion, both to secure the Royal Naval Female School from any diminution of its present state of usefulness, and for the means of its permanency and enlargement; and the Committee would still cherish a confident hope in public generosity, towards an object so essentially important to the Navy in particular, and so palpably beneficial in its relation to the community at large.

By order of the Committee,

FRANCIS MAUDE, Commander, R.N. } *Hon. Secretaries.*
GEORGE HOPE, Commander, R.N.

1st January, 1845.

Contributions will be thankfully received and acknowledged, and every information afforded, by Mr. Arthur Ellis, Purser, R.N., the Secretary, at 82, Sackville-street, Piccadilly.

Donations and Subscriptions will also be received in London, by the Banking-houses of Messrs. Cocks, Biddulph, and Co., and Williams, Deacon, and Co., and by Messrs. Hatchard, Piccadilly, and Nisbet, Berners-street, and by all the Navy Agents.

By Authority.

KNIGHT COMMANDER.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. That no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual (directed to the Earl Marshal of England), granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of such Foreign Sovereign."

And in March, 1813, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:—

6th. "That His Majesty's Licence and permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appella 'on, rank, precedence, or privilege appertaining unto a Knight Bachelor of these realms."

N.B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

CASTLEREAGH.

Her Majesty has been pleased further to direct,—

7th. "That if the Service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2nd Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such Service."

8th. "When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Declaration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honor strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

ABERDEEN.

MATES.

Two Shillings and Sixpence a day after three years' actual Sea Service as Mates, and when unable to obtain employment in Her Majesty's Service, provided their conduct during service shall have been satisfactory, and provided they do not decline or avoid service when called upon.

The Lords Commissioners of the Admiralty are empowered to allow any Mate to retire from the service, with a Pension of Two Shillings and Sixpence a day after Twenty Years' actual Service, during Ten Years of which he must have held the rating of Mate.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no Mate shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the Invalid may be again fit for employment; and at the expiration of such period the Mate is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be respite.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

LEAVE.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to His Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (stating the date their last letter of leave bore) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

At the expiration of three months after the leave has expired, their half-pay will be respite (20th April, 1830).

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

TO AFFIX RANK TO SIGNATURE.

Admiralty, 4th Jan., 1811, and 21st Feb., 1839.

By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

In pursuance of His Majesty's Order in Council, Notice is hereby given, that all Officers of the Royal Navy receiving Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Declaration, the Place of their residence at the date of each Declaration, otherwise it will not be received.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioned and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quar-

ter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1838.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Paymasters and Purasers—Masters—Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals—Captains—Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By command of their Lordships,

JOHN BARROW.

CHAPLAINS.

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or who shall not have graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from the Bishop of the diocese in which he was last licensed, addressed to the Lords Commissioners of the Admiralty, or who shall not have been examined by some competent person appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to Her Majesty's service the situation of Chaplain. (1845).

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 31st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years' service at sea; that I have not between the day of and the day of been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, 10th Sept., 1842.

REGULATIONS FOR THE QUALIFICATION OF NAVAL INSTRUCTORS. ESTABLISHED BY ORDERS IN COUNCIL OF THE 22nd DEC., 1836, 10th AUGUST, 1840, AND 11th MARCH, 1842.

No person will be considered eligible for a Warrant as Naval Instructor who is under 20 years of age or more than 35.

Before any person can hereafter be received on board Her Majesty's ship "Excellent" as a candidate for an appointment as Naval Instructor, he will be required to produce a certificate of his age, and testimonials of good character; and both laymen and clergymen when appointed to act as Naval Instructors must pass an examination as to their qualifications to instruct the young Officers in the following branches:—

2nd. The first six and the eleventh books of Euclid.

3rd. Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, is not considered as indispensable, it is very desirable that Naval Instructors should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

No Naval Instructor who shall retire from his employment without the approbation of the Lord Commissioners of the Admiralty, or who shall refuse or avoid service if found capable of serving, shall be allowed to receive Half-Pay; and his name in such case will be removed from the List of Naval Instructors.

The Naval Instructor is to be considered in all respects a Ward Room Warrant Officer. Unless they be in Holy Orders, they are to wear the same uniform as Masters, but without epaulettes or gold lace on the trousers.

seizures, and the rewards conferred for the same, and shall be otherwise aiding and assisting to the said agents in all such matters as shall be necessary.

And We further direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein provided for, or not sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be considered as final, and have the same force and effect as if specially provided for in Our Royal Proclamation.

Provided always, that the distribution hereinbefore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Royal Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We hereby further direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said Royal Proclamation dated nineteenth March one thousand eight hundred and thirty-four.

Given at Our Court at St. James's, this third day of February, in the year of Our Lord one thousand eight hundred and thirty-six, and in the sixth year of Our reign.

GOD SAVE THE KING.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS it has been represented unto Us by Our Commissioners for executing the Office of Lord High Admiral, that considerable doubts have arisen on the interpretation of those clauses of Our Royal Proclamations, dated the nineteenth of March one thousand eight hundred and thirty-four, and third of February one thousand eight hundred and thirty-six, which direct that the said Proclamations shall take effect from the periods at which notice thereof shall have been received in the several Courts of Vice Admiralty; and that in many instances the distribution of bounty for captured Slaves is actually delayed in consequence of such doubts; and it has been humbly submitted to Us, by Our said Commissioners that in order to obviate the same, it is expedient to assign a precise and uniform date at which each of the said Proclamations of one thousand eight hundred and thirty-four, and one thousand eight hundred and thirty-six, are respectively to take effect. We do, therefore, by and with the advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby directing, that distribution be made by the scale authorized in Our said Proclamation, dated the nineteenth of March one thousand eight hundred and thirty-four, with regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in the High

Court of Admiralty, in any Vice-Admiralty Court, or any Court of mixed Commission, from and after the first day of August one thousand eight hundred and thirty-four, inclusive; and hereby further directing that distribution be made according to the Scale authorized by Our Proclamation, dated the third of February one thousand eight hundred and thirty-six, in regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in any such Courts as aforesaid, from and after the first day of July one thousand eight hundred and thirty-six, inclusive; save and except, that in cases of distributions already made, the proceedings therein are not to be subject to revision, as being in any way vitiated by this Our Royal Proclamation.

Given at Our Court at Brighton, this thirtieth day of November, in the year of Our Lord one thousand eight hundred and thirty-six, and in the seventh year of Our reign.—GOD SAVE THE KING.

Admiralty, 3rd July, 1827.

His Royal Highness the Lord High Admiral having received a representation from the Governors and Directors of Greenwich Hospital, that many instances have occurred in which the Regulations contained in His Majesty's Proclamation, dated the 12th of July, 1819, in regard to the Freight of Treasure on board His Majesty's Ships, have been either wholly neglected, or only partially complied with, His Royal Highness feels himself under the necessity of bringing to the recollection of all Officers who may be intrusted with the Freight of Treasure, the several provisions of His Majesty's Proclamation aforesaid, and to repeat the General Orders issued by the Lords Commissioners of the Admiralty, on the subject of Freight since the promulgation of the said Proclamation.

B., am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprise the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be

thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

declare, and command, That from and after the First Day of September next, the said Scale of Rates so fixed shall cease and be no longer in force: And We do further declare, That from thenceforth the following Rates shall be established during Peace and War;

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed

Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at St. James's, this Eighth Day of June One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October, 1832.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for Custody only, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,
SIDNEY HERBERT.

MEMORANDUM.

Admiralty, 1st May, 1848.

The Lords Commissioners of the Admiralty are pleased to direct that the annexed Memorandum, which has been transmitted from the Colonial Department, be promulgated for the information of Officers of the Royal Navy and Marines proposing to settle in the Australian Colonies.

All former notices on the subject of Officers settling in the Colonies are to be considered as obsolete.

By Command of their Lordships,
JOHN BARROW.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PURSUING TO SETTLE IN THE BRITISH COLONIES.

1. The Colonies in which Military and Naval Officers are allowed privileges in the acquisition of public lands are the following:—First, the Australian Settlements, consisting of New South Wales, Van Diemen's Land, South Australia, Western Australia, and New Zealand; secondly, Ceylon; thirdly, Nova Scotia and Cape Breton, the only province in North America where privileges are still allowed.

2. In the different Australian Settlements, and in Ceylon, land is disposed of by sale only; but Officers purchasing land, are allowed a remission of the purchase money, according to the under-mentioned scale:—

Field Officers, of 25 years' service and upwards, in the whole 800*l*.

Field Officers, of 20 years' service and upwards, in the whole 250*l*.

Field Officers, of 15 or less years' service, in the whole 200*l*.

Captains, of 20 years' service and upwards, in the whole 200*l*.

Captains, of 15 years' service or less, in the whole 150*l*.

Subalterns, of 20 years' service and upwards, in the whole 150*l*.

Subalterns, of 7 years' service and upwards, in the whole 100*l*.

Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this Rule.

In Nova Scotia and Cape Breton, allotments of Land are granted to Officers on the following scale and conditions, viz:—

To a Lieut.-Colonel.....1200 acres.

To a Major.....1000 acres.

To a Captain.....800 acres.

To a Subaltern.....500 acres.

3. Officers of the Army or Navy, proposing to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with Certificates from the office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, or of the Master General of the Ordnance, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

4. Officers on half pay, residing in the Colony where they propose to settle, are admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being al-

lowed the indulgence, and that the statement of their rank and length of service is accurate; and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army; Purser, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Mates in the Royal Navy rank with Ensigns in the Army, and Mates of three years' standing, with Lieutenants in the Army, and are entitled respectively to corresponding privileges in the acquisition of Lands.

6. Gentlemen who have ceased to belong to Her Majesty's Service are not allowed the advantages to which they were entitled while in the Army or Navy. This rule, however, is not to affect Officers who desire to quit the service, for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the General Commanding in Chief, or from the Lords Commissioners of the Admiralty, or from the Master General of the Ordnance, that they do so with the view of emigrating, and such certificate, if produced to the Governor of any of the Colonies before-mentioned within one year from its date, but not otherwise, will be a sufficient warrant for allowing the bearer the same advantages as Officers who are still in Her Majesty's Service.

7. An actual residence of two years in the Colony must be proved before the Titles can be granted, except in cases in which death may have occurred before the expiration of that period.

8. For the convenience of Officers, the following heads are subjoined of the Rules for the Sale of Land in the Australian Settlements:—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than 1*l*. per acre; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one-tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price: these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

9. In Ceylon, land is sold by auction at an

upset price of 5s. per acre, generally in lots of 100 acres each.

10. The several prices above mentioned are of course subject to revision at any time by the proper Authorities, and the pecuniary amount of the Remission made to Officers cannot be increased on account of an increased value set upon the Lands.

September, 1843.

MEMORANDUM.

Admiralty, 26th August, 1841.

Her Majesty having by Her Order in Council of 10th August, 1840, ordered that Mates in the Royal Navy shall rank with Ensigns in the Army, and Mates of 3 years' standing with Lieutenants in the Army, Her Majesty's Government have recognised the claims of these Officers to the same advantages in the acquisition of Land in the Australian Colonies and in Ceylon, which are enjoyed by Subalterns in the Army under the Regulations of August, 1838.

By Command of their Lordships,

J. PARKER.

ORIGINAL CERTIFICATES AND PAPERS.

Admiralty, 17th August, 1837.

His Royal Highness the Lord High Admiral desires that Officers, or other persons, having occasion to transmit Certificates and other Documents either to His Royal Highness, his Council, or his Secretaries, will not send the *original* Certificates or Documents, but only *copies* thereof, which copies will remain in this Office, annexed to the Letter or Memorial to which they may belong. If, however, the parties shall choose to transmit their *original* documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.

This rule does not apply to the Smart Tickets or Certificates of Seamen or Marines applying for pensions from Greenwich.

MEMORANDA.

Full Dress is always to be worn on State occasions and at Courts Martial, by all Naval Officers. On all occasions of Full Dress, Officers shall wear White Trousers over boots between the 23rd of April and the 14th of October, and Blue Trousers between the 15th of October and the 22nd of April.

The Great Coats for Officers in the Royal Navy are to be of blue cloth; double or single breasted, according to the uniform assigned to their respective ranks, with stand and fall collar; the number and arrangement of the buttons to be according to their undress uniform—to be worn with or without epaulettes, as convenient.

The blue morning coat now in use is abolished.

All Officers may wear in undress, with Blue Trousers, a Blue Cloth or Kerseymere Waistcoat, single breasted, with small uniform buttons, and on board their ships, a round jacket without skirts, with their appropriate buttons, and a round black hat, with a narrow black silk band and a black buckle, and a black silk or leather cockade, with a loop of the same material and half the width of the lace of their respective coats, or if they have no lace on their coats, of black silk ribbon (except Midshipmen, Masters'-Assistants, and Naval Cadets, who are to have a loop of gold twist); or a blue cloth cap, with a band round it, of the width and material of the lace of their coats; Officers who have no lace to their coats, to have a band of gold lace, one inch wide, round their caps.

Patterns or drawings of each article of dress are to be seen at this Office, and at the Offices of the several Port Admirals.

By Command of their Lordships,
SIDNEY HERBERT.

Admiralty, 21st Aug. 1839.

The Lords Commissioners of the Admiralty are pleased to direct, that Officers of the Royal Marines serving on board Her Majesty's Ships in the East or West Indies, at the Cape of Good Hope, in South America, or in the Mediterranean, shall be allowed to wear as undress a shell Jacket of Scarlet cloth, with Cuffs and front part of the Collar of plain Blue, with one row of small uniform buttons down the front, and gold plaited cord shoulder straps.

Admiralty, 15th February, 1830.

The Lords Commissioners of the Admiralty being desirous to extend the benefit of the Marine Surveys which have been made for the use of His Majesty's Navy, more generally among the Mercantile Shipping of the Empire, have appointed Mr. R. B. Bate, 21, Poultry, London, to be their Lordships' agent for the sale of all Charts, Plans, Views, and Sailing Directions, which are published under their Lordships' orders; and he has been directed to employ proper sub-agents at the principal sea-ports for the same purpose.

All corrections, arising from surveys in progress, will be notified to the agent for immediate insertion, so that the Charts and Directions in his hands will always contain the most recent and authentic information.

Catalogues may be had at the agent's, stating the prices which have been authorised by their Lordships. J. W. CROOK.

Admiralty, 7th May, 1830.

Notice is hereby given to the Medical Officers of the Royal Navy, that Sir Gilbert Blane,

Bart., first Physician to his Majesty, and formerly Member of the Board for Sick and Wounded Seamen, with the concurrence and approbation of the Lords Commissioners of the Admiralty, has, for the encouragement of Naval Medical Science, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a gold medal, once in every two years, on such two Medical Officers, whether *Surgeons*, or *Assistant-Surgeons acting as Surgeons*, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

The selection of the journals will, in the first instance, be made by the Medical Commissioners of the Victualling Board, on the 12th of August, 1831, and will consist of not more than ten, nor less than five, of those journals delivered into office between the 12th of July, 1827, and the 12th of July, 1831; and the subsequent selections will be made from those delivered within the period of every two succeeding years; and the adjudication of the medals will, during the life of Sir Gilbert Blane, be made by him, and will subsequently be vested in the Senior Medical Commissioner, the President of the College of Physicians, and the President of the College of Surgeons, London.

Captain Hon. W. Waldegrave, R.N., C.B.
Captain E. R. Williams, R.N.

This Institution originated in the benevolent design of the late Admiral Sir Thomas Williams, G.C.B.; who, with a view to its formation and permanent establishment, munificently bestowed the sum of 1000*l.*, to be invested in trust as the basis of an endowment fund; and, in order to meet the usual difficulties

of a newly formed Institution, he further most liberally arranged, that the rent of the Establishment at Richmond should be defrayed from his estate, by the additional contribution of 100*l.* per annum, for a period of seven years.

The object of the Institution will be best shown, and its commendation and support most

effectually secured, by a simple quotation from the laws, extracted from the printed Report, giving a clear definition on this point:—

“The object of the Royal Naval Female School, as established on the 2nd of April 1840, agreeably to the intention of its benevolent founder, is to bestow upon the daughters of necessitous naval and marine officers, of and above wardroom rank, at the lowest reduction of cost practicable, a good, virtuous, and religious education, in conformity with the principles and doctrines of the Church of England.”

At present there are eighty-three daughters of naval and marine officers receiving to the full, as far as circumstances will permit, the advantages proposed by the benevolent founder; of these, twenty-seven are received at the annual payment of Thirty Guineas; the rest, fifty-six in number, all daughters of more necessitous officers, are boarded and educated, at the entire cost to the parents or guardians of 12l. per annum; the establishment defraying the larger amount of actual cost, through the means of voluntary contributions. Of the number of pupils on the reduced scale of payment, ten have lost both parents, and sixteen others have lost their fathers.

The Institution has already been of sufficient duration to establish a high character for its efficiency and advantages, as a seminary for Female education; the best testimony to which, in addition to concurrent public opinion, is derived from the invariable satisfaction expressed by the parents of the pupils, and the numerous pressing demands which are continually made for admission.

Hitherto, it has been the object of the Com-

mittee to afford to the fullest extent practicable, the justly appreciated benefits which such an Institution offers to the Naval profession; ever adjusting their arrangements, both as to extension and limitation, with a minute regard to the balance of receipt and expenditure.

The experience of four years has taught the Committee the necessity of using every possible effort to secure the Institution against the contingent support which mere occasional contributions afford; and this necessity becomes increased by the fact, that at the expiration of three years more, the payment of the rent of 100l. per annum, so generously granted by their late esteemed founder, will cease, and the Establishment will have to bear this additional expense.

The Committee acknowledge with gratitude the fair proportion of public support which they have hitherto obtained, and, from the liberal aid already experienced from many members of the Naval profession, they confidently hope that when the Establishment becomes more generally known amongst their brother officers, it will receive the support of those who have not yet contributed to its funds.

The above particulars, briefly and frankly stated, will doubtless suffice to make it apparent, that there is an imperative necessity for extra exertion, both to secure the Royal Naval Female School from any diminution of its present state of usefulness, and for the means of its permanency and enlargement; and the Committee would still cherish a confident hope in public generosity, towards an object so essentially important to the Navy in particular, and so palpably beneficial in its relation to the community at large.

By order of the Committee,

FRANCIS MAUDE, Commander, R.N.
GEORGE HOPE, Commander, R.N.

} Hon. Secretaries.

1st January, 1845.

Contributions will be thankfully received and acknowledged, and every information afforded, by Mr. Arthur Ellis, Purser, R.N., the Secretary, at 32, Sackville-street, Piccadilly.

Donations and Subscriptions will also be received in London, by the Banking-houses of Messrs. Cocks, Biddulph, and Co., and Williams, Deacon, and Co., and by Messrs. Hatchard, Piccadilly, and Nisbet, Berners-street, and by all the Navy Agents.

By Authority.

†Rear-Admiral Hon. Sir Anthony Maitland 26 Feb 20.

REGULATIONS RESPECTING FOREIGN ORDERS.

1st. That no British Subjects shall accept a Foreign Order, or wear its Insignia, without having previously obtained a Warrant under the Royal Sign Manual (directed to the Earl Marshal of England), granting them His Majesty's permission to accept and wear the same.

2nd. That the intention of a Foreign Sovereign to decorate a British Subject with the Insignia of such Order, shall be notified to His Majesty's Principal Secretary of State for Foreign Affairs, either through the King's Minister abroad, or through the accredited Minister of the Foreign Sovereign resident at this Court.

3rd. That when His Majesty's Principal Secretary of State for Foreign Affairs shall have taken His Majesty's pleasure, and obtained his consent upon the occasion, he shall then signify to His Majesty's Principal Secretary of State for the Home Department, in order that he may cause the usual Warrant to be prepared for the Royal Sign Manual, and take such other steps as may be necessary for carrying His Majesty's pleasure into effect accordingly.

4th. That when the Warrant is signed by the King, it shall be announced in the Gazette in the usual manner, and registered in His Majesty's College of Arms.

In addition to the above Regulations of the King, His Royal Highness the Prince Regent deemed it expedient to announce, in the year 1812,—

5th. "That no Subject of His Majesty could be allowed to accept the Insignia of a Foreign Order from any Sovereign of a Foreign State, except they shall be so conferred in consequence of active and distinguished services before the Enemy, either at Sea or in the Field; or unless he shall have been actually employed in the Service of such Foreign Sovereign."

And in March, 1818, His Royal Highness was pleased to command, that the following proviso should be thereafter inserted in all Royal Warrants for the acceptance of Foreign Orders:—

6th. "That His Majesty's Licence and permission doth not authorize, and shall not be deemed or construed to authorize, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these realms."

N.B. Before the Principal Secretary of State for Foreign Affairs takes the Prince Regent's pleasure, on any application for an Officer in the Army to be permitted to accept a Foreign Order, he causes the same to be referred to the Commander-in-Chief, through His Royal Highness's Secretary, to know whether or not His Royal Highness sees any objection to the Prince Regent's pleasure being taken thereupon.

And if the application be in favour of a Naval Officer, the Principal Secretary of State for Foreign Affairs communicates with the First Lord of the Admiralty, to the same effect, previous to the Prince Regent's pleasure being taken thereon.

CASTLEREAGH.

Her Majesty has been pleased further to direct,—

7th. "That if the Service for which it is proposed to confer the Order has been performed during War, the Notification required by the 2nd Regulation must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

"If the Service has been performed in time of Peace, the Notification must be made within two years of the date of such Service."

8th. "When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Declaration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honor strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred."

MATES.

Two Shillings and Sixpence a day after three years' actual Sea Service as *Mates*, and when unable to obtain employment in Her Majesty's Service, provided their conduct during service shall have been satisfactory, and provided they do not decline or avoid service when called upon.

The Lords Commissioners of the Admiralty are empowered to allow any *Mate* to retire from the service, with a Pension of Two Shillings and Sixpence a day after Twenty Years' actual Service, during Ten Years of which he must have held the rating of *Mate*.

MEMORANDUM.

Admiralty, Feb. 10th, 1841.

My Lords Commissioners of the Admiralty are pleased to direct that no *Mate* shall be allowed Half-Pay without having been previously surveyed and reported unfit by the Inspector General, or the Officers of one of the Naval Hospitals at home. The Medical Officers are therefore to report particularly in each case the probable period at which the Invalid may be again fit for employment; and at the expiration of such period the *Mate* is to report himself to their Lordships, in order that, if he should state himself to be still unable to serve, proper measures may be taken to ascertain his continued unfitness; after which, should he be declared fit for employment and still withhold his services, his Half-Pay is to be respite.

Mates who may apply for the retiring pension of two shillings and sixpence a day after twenty years' actual service, will not be re-admitted after having accepted such Pension.

LEAVE.

Admiralty, June 22, 1821.

In order to prevent inconvenience to individual Officers as well as to his Majesty's service, the Lords Commissioners of the Admiralty think it necessary to remind the Officers of His Majesty's Navy and Royal Marine Forces, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, (*stating the date their last letter of leave bore*) so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.

At the expiration of three months after the leave has expired, their half-pay will be respite (*30th April, 1830*).

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

TO AFFIX RANK TO SIGNATURE.

Admiralty, 4th Jan., 1811, and 21st Feb., 1839.
By command of the Lords Commissioners of the Admiralty, notice is hereby given to all Officers of his Majesty's Navy, and of the Royal Marines, whether on full or Half-pay, that, whenever they may have occasion to address Letters to their Lordships' Secretary, they are to specify their addresses, and to note against their signatures the rank which they may hold in the Royal Navy or Marines, respectively; and, whenever absent on leave, to state the name of the Ship to which they may belong.

In pursuance of His Majesty's Order in Council, Notice is hereby given, that all Officers of the Royal Navy receiving Half-Pay, are required to annex to the signature of their names, on the Quarterly Half-Pay Declaration, the Place of their residence at the date of each Declaration, otherwise it will not be received.

Admiralty, 30th September, 1835.

To avoid the inconvenience and delay which have sometimes occurred in the payment of Naval Half-pay by the irregular transmission of Declarations; the Commissioners and Warrant Officers of his Majesty's Navy, residing within the United Kingdom, and receiving their Half-pay through Agents, are hereby desired to transmit their Declarations to such Agents within Ten Days at most after the expiration of each Quar-

ter, so as to enable the Agent to receive the amount due on the Days regularly appointed for the Payment of the respective Ranks.

CHARLES WOOD.

Admiralty, 15th November, 1833.

TO NAVAL AND MARINE OFFICERS ON HALF-PAY.

The Right Honourable the Lords Commissioners of the Admiralty hereby give notice, that in future the rotation in which Half-Pay will be paid to Officers will be as follows:—

1st Class.—Paymasters and Pursers—Masters—Surgeons.

2d Class.—Lieutenants and Chaplains.

3d Class.—Admirals—Captains—Commanders.

It will therefore be necessary, in order to prevent delay and inconvenience to the Officers themselves, that their declarations should be delivered into the Paymaster-General's Office, or to their respective Agents, as soon as possible after the last day of every quarter.

It sometimes happens that Officers apply personally for their Half-Pay, without having previously sent in their declarations as required by the usual advertisement; any delay or inconvenience to which they might be subject by this oversight, it is in the power of the Officers themselves to prevent, by an adherence to the existing regulations.

By command of their Lordships,
JOHN BARROW.

CHAPLAINS.

No person shall be appointed a Chaplain in the Royal Navy who shall not have been regularly ordained Deacon and Priest of the United Church of England and Ireland, or who shall not have graduated at the University of Oxford, Cambridge, or Trinity College, Dublin, or whose age shall exceed thirty-five years, or who shall hold any benefice with cure of souls, or who shall not produce testimonials from the Bishop of the diocese in which he was last licensed, addressed to the Lords Commissioners of the Admiralty, or who shall not have been examined by some competent person appointed for that purpose by the Lords Commissioners of the Admiralty, and be reported by him to be in every respect a fit and proper person to fill with respectability and advantage to Her Majesty's service the situation of Chaplain. (1845).

Form of Half-pay Declaration to be taken by such Chaplains as shall hereafter be placed on the Half-pay List, under His Majesty's Order in Council, of 21st July, 1835.

I do solemnly and sincerely declare that I did not accept any benefice with cure of souls before I had completed a term of service in the Royal Navy, as Chaplain, equal to eight years' service at sea; that I have not between the day of _____ and the day of _____ been employed as Chaplain of any of His Majesty's ships, and have not held, and do not hold, any appointment as Chaplain of a Naval Establishment, the emoluments of which amount to four hundred pounds per annum; and I make this solemn Declaration, conscientiously believing the same to be true.

Admiralty, 10th Sept., 1842.

REGULATIONS FOR THE QUALIFICATION OF NAVAL INSTRUCTORS. ESTABLISHED BY ORDERS IN COUNCIL OF THE 22nd DEC., 1836, 10th AUGUST, 1840, AND 11th MARCH, 1842.

Naval Instructors and Schoolmasters are hereafter to be designated "Naval Instructors," and Chaplains on being appointed to act as Naval Instructors are to be designated "Chaplains and Naval Instructors."

No person will be considered eligible for a Warrant as Naval Instructor who is under 20 years of age or more than 35.

Before any person can hereafter be received on board Her Majesty's ship "Excellent" as a candidate for an appointment as Naval Instructor, he will be required to produce a certificate of his age, and testimonials of good character; and both laymen and clergymen when appointed to act as Naval Instructors must pass an examination as to their qualifications to instruct the young Officers in the following branches:—

1st. Common Arithmetic, including Vulgar and Decimal Fractions.

2nd. The first six and the eleventh books of Euclid.

3rd. Algebra, progressing to the highest order of Equations, and its application to the solution of Geometrical Problems.

4th. Plane and Spherical Trigonometry, theoretical and practical.

5th. Nautical Astronomy, particularly the principles on which the various rules for finding the latitude and longitude are founded.

6th. Mechanics.

7th. Hydrostatics.

8th. A competent knowledge of the Classics. The final examination of Candidates for Naval Instructorships will comprise:—

1st. The usual College passing examination in Navigation.

2nd. The application of the theory of Projectiles to Gunnery.

3rd. Observations with the Sextant, &c. The use of the Azimuth Compass and Chronometers, &c. Perfect proficiency will be expected in observing: 250 numbers will be required to pass a Candidate in the College Paper, and 35 is to be the minimum number for observations.

Although the knowledge of French, as well as of other modern languages, and of the principles of drawing, is not considered as indispensable, it is very desirable that Naval Instructors should be able to give instruction in these branches of education; and preference will always be given to such as possess these attainments.

No Naval Instructor who shall retire from his employment without the approbation of the Lords Commissioners of the Admiralty, or who shall refuse or avoid service if found capable of serving, shall be allowed to receive Half-Pay; and his name in such case will be removed from the List of Naval Instructors.

The Naval Instructor is to be considered in all respects a Ward Room Warrant Officer. Unless they be in Holy Orders, they are to wear the same uniform as Masters, but without epaulettes or gold lace on the trousers.

By Command of their Lordships,
SIDNEY HERBERT.

MEMORANDUM.

Admiralty, June 7th, 1839.

All Candidates for Naval Instructorships who may be sent to the *Excellent*, are to be examined (previous to commencing the course of Instruction) touching their Mathematical attainments, which it will be expected should be

sufficient to admit of their proceeding at once to the study of Nautical Astronomy. C. Wood.

And We do hereby further direct, that the following regulations shall be observed, with respect to the share before-mentioned to be given to the flag-officer or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel, shall be deemed to be under the command of a flag when he shall have actually received some order from, or be acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, which circumstance is to be always carefully noted in the log-book, and shall be considered to continue under the command of the flag-officer of such station, until he shall have received some order directly from, or be acting in execution of some order issued by some other flag-officer duly authorised, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being.

Captains or commanders, or commanding-officers of such ships or vessels as shall be under orders from the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, the flag-officer is only to have his proportion of the flag share according to the number of ships belonging to his squadron.

That if a flag-officer be sent to command in the ports of the United Kingdom, he shall have no share in the prizes captured from the enemy, nor in the other captures or seizures as aforesaid, made by ships or vessels which have sailed, or shall sail, from that port by order of the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral, nor in the rewards conferred for the same.

That when more flag-officers than one shall be serving together, the one-sixteenth part of the net proceeds of prizes captured from the enemy, and of the other captures or seizures as aforesaid, made by any ships or vessels of the fleet or squadron, and of the rewards conferred for the same, shall be divided in the following proportions, namely:—

If there be but two flag-officers, the chief shall have two-third parts of the said one-sixteenth; and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one-half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class and captains of the fleet shall be esteemed as flag-officers.

And We further direct, that the captains and commanders of Our ships and vessels-of-war shall, on making any capture or seizure, transmit, as soon as may be, or cause to be transmitted to the Secretary of the Admiralty, a true and perfect list of all the officers, seamen, marines, and soldiers and others, who were actually on board Our ships and vessels-of-war under their command, at the time of the said capture or seizure, and also of those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding-officer, and three or more of the chief officers on board.

And that when such lists shall have been duly examined with the muster books of such ships and vessels, and lists annexed thereto, in order to see that such lists agree with such muster books, and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others, belonging to such ships and vessels, and, upon request, the Accountant-General of Our Navy, or examining officer, shall forthwith grant a certificate, signed by such officer, of the truth of any lists so transmitted to the agents nominated or appointed by the captors or seizers; and also, upon application, the said Accountant-General, or examining officer, shall give, or cause to be given, to the said agents all such lists from the muster books of any such ships and vessels, and annexed lists, as the said agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such captures and

seizures, and the rewards conferred for the same, and shall be otherwise aiding and assisting to the said agents in all such matters as shall be necessary.

And We further direct that in case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein provided for, or not sufficiently provided for, the same shall be referred to Our Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral for the time being, and their directions thereupon shall be considered as final, and have the same force and effect as if specially provided for in Our Royal Proclamation.

Provided always, that the distribution hereinafore made, or directed to be made, shall not be construed to affect any captures or seizures made before the day of the date of this Our Royal Proclamation, nor any captures or seizures which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty, before notice of this Our Royal Proclamation shall have been received by the Court of Vice Admiralty in which such condemnation or adjudication shall pass; and We hereby further direct, that the proceeds of all such captures and seizures made before the date of this Our Royal Proclamation, or which shall be made after that day, and which shall be condemned or adjudged in any of Our Courts of Vice Admiralty antecedent to the notice of this Our Royal Proclamation having been received in such Courts, together with all rewards aforesaid, shall continue to be distributed in the proportions and manner directed in and by Our said Royal Proclamation dated nineteenth March one thousand eight hundred and thirty-four.

Given at Our Court at St. James's, this third day of February, in the year of Our Lord one thousand eight hundred and thirty-six, and in the sixth year of Our reign.

GOD SAVE THE KING.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

WHEREAS it has been represented unto Us by Our Commissioners for executing the Office of Lord High Admiral, that considerable doubts have arisen on the interpretation of those clauses of Our Royal Proclamations, dated the nineteenth of March one thousand eight hundred and thirty-four, and third of February one thousand eight hundred and thirty-six, which direct that the said Proclamations shall take effect from the periods at which notice thereof shall have been received in the several Courts of Vice Admiralty; and that in many instances the distribution of bounty for captured Slaves is actually delayed in consequence of such doubts; and it has been humbly submitted to Us, by Our said Commissioners that in order to obviate the same, it is expedient to assign a precise and uniform date at which each of the said Proclamations of one thousand eight hundred and thirty-four, and one thousand eight hundred and thirty-six, are respectively to take effect. We do, therefore, by and with the advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby directing, that distribution be made by the scale authorized in Our said Proclamation, dated the nineteenth of March one thousand eight hundred and thirty-four, with regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in the High

Court of Admiralty, in any Vice-Admiralty Court, or any Court of mixed Commission, from and after the first day of August one thousand eight hundred and thirty-four, inclusive; and hereby further directing that distribution be made according to the Scale authorized by Our Proclamation, dated the third of February one thousand eight hundred and thirty-six, in regard to the proceeds of all captures made within its scope, which shall have been, or shall be condemned in any such Courts as aforesaid, from and after the first day of July one thousand eight hundred and thirty-six, inclusive; save and except, that in cases of distributions already made, the proceedings therein are not to be subject to revision, as being in any way vitiated by this Our Royal Proclamation.

Given at Our Court at Brighton, this thirtieth day of November, in the year of Our Lord one thousand eight hundred and thirty-six, and in the seventh year of Our reign.—GOD SAVE THE KING.

Admiralty, 3rd July, 1827.

His Royal Highness the Lord High Admiral having received a representation from the Governors and Directors of Greenwich Hospital, that many instances have occurred in which the Regulations contained in His Majesty's Proclamation, dated the 12th of July, 1819, in regard to the Freight of Treasure on board His Majesty's Ships, have been either wholly neglected, or only partially complied with, His Royal Highness feels himself under the necessity of bringing to the recollection of all Officers who may be intrusted with the Freight of Treasure, the several provisions of His Majesty's Proclamation aforesaid, and to repeat the General Orders issued by the Lords Commissioners of the Admiralty, on the subject of Freight since the promulgation of the said Proclamation.

PROCLAMATIONS RESPECTING THE CONVEYANCE OF PUBLIC AND PRIVATE TREASURE.

I, A. B., am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be

thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at Carlton House, this Twelfth Day of July, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance. I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of April last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of September next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed

Six Hundred Leagues, shall be fixed at the Rate of One per Cent., both for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of April last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Eighth Day of June One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October, 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on Public Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only:

By Command of their Lordships,

SIDNEY HERBERT.

QUALIFICATIONS for the LOWER SCHOOL of the ROYAL HOSPITAL, GREENWICH.

No. 1.

Royal Hospital Greenwich.

Herewith you will receive the Rules and Regulations for the admission of Children into the Lower School of this Institution; and you are particularly desired to read the same with attention, and comply therewith in every respect, as far as relates to your case.

Great delay having frequently happened, and in some instances the benefit of the Institution been entirely lost to Children, by neglecting to send the whole of the Documents, and answer the several questions; you are hereby informed that unless you comply with these directions, your claim must necessarily be rejected.

Clerk of the Cheque.

This School consists of Boys, the Sons of Warrant and Petty Officers and Seamen,

and of Non-commissioned Officers and Privates of Marines, who have served or are serving in the Royal Navy: they are eligible from Nine to Twelve Years of Age, and quit the Institution at Fifteen. They are to be sent to Sea if Situations can be provided for them; and any unprovided for at Fifteen to be taken away by their Parents or Guardians.

They must be free from any impediment of speech, or other infirmity of body or mind.

They are admitted, on application to the Governor, upon the following Scale:—

1st—Those whose Fathers have been killed or drowned in Her Majesty's Service, and are destitute of Mothers.

2nd—Those whose Fathers have been killed or drowned in Her Majesty's Service, whose Mothers are living.

3rd—Those whose Fathers have died in the Service, and have lost their Mothers.

4th—Those whose Fathers have died in the Service, and have Mothers living.

5th—Those whose Fathers have been wounded or maimed in Her Majesty's Service, or are, after long Service, incapable of further Service.

6th—Those whose Fathers are actually employed on board any of Her Majesty's Ships, and whose Mothers have died.

7th—Those whose Fathers are actually serving

on board any of Her Majesty's Ships, and whose Families are numerous and in need.

Cases not exactly provided for in the above Scale will be admitted at the discretion of the Governor or those he may depute to investigate these claims, having reference to the Services and state of Distress of the Parents of the Applicant.

Any Boy of this School may be removed to the Upper School, if not exceeding Twelve Years of Age, on obtaining a Presentation to the said School, and producing a Certificate of Character and Abilities from the Master of the Lower School.

In all Cases the following Certificates must be produced, viz.—

A Certificate that the Child is an Object of Charity (*for which see p. 167*).

A Certificate of the Marriage of the Parents—or, if not attainable, other satisfactory proof thereof.

A Certificate of the Father's Servitude at Sea, which will be obtained by the Institution, as soon as the form is returned.

A Register of Baptism.

If the date of birth is not officially stated in the Register of Baptism, a declaration of the day of birth before a Magistrate must be produced.

Any attempt to impose on the Institution—by false Information or Documents—by altering dates in Certificates—or the fraudulent substitution of one Child in place of another—will entirely vitiate the Claim, and subject the parties to a prosecution.

Return this and the other Documents to the Clerk of the Cheque under the accompanying Cover.

[illegible]

The Parent or Guardian of the Child must sign the following Engagement before this Form is returned.

"I do hereby engage that if my child is admitted into the Lower School of the Royal Hospital, he shall remain there as long as the Lords Commissioners of the Admiralty shall be pleased to direct; and shall serve in the Royal Navy, Royal Marines, or Merchant Sea Service, if their Lordships shall think proper." I also engage to take him from the School whenever required so to do.

MEMORANDUM.

Admiralty, 1st May, 1848.

The Lords Commissioners of the Admiralty are pleased to direct that the annexed Memorandum, which has been transmitted from the Colonial Department, be promulgated for the information of Officers of the Royal Navy and Marines proposing to settle in the Australasian Colonies.

All former notices on the subject of Officers settling in the Colonies are to be considered as obsolete.

By Command of their Lordships,
JOHN BARROW.

INFORMATION FOR THE USE OF MILITARY AND NAVAL OFFICERS PURPOSING TO SETTLE IN THE BRITISH COLONIES.

1. The Colonies in which Military and Naval Officers are allowed privileges in the acquisition of public lands are the following:—First, the Australian Settlements, consisting of New South Wales, Van Diemen's Land, South Australia, Western Australia, and New Zealand; secondly, Ceylon; thirdly, Nova Scotia and Cape Breton, the only province in North America where privileges are still allowed.]—

2. In the different Australian Settlements, and in Ceylon, land is disposed of by sale only; but Officers purchasing land, are allowed a remission of the purchase money, according to the under-mentioned scale:—

Field Officers, of 25 years' service and upwards, in the whole 800l.

Field Officers, of 20 years' service and upwards, in the whole 250l.

Field Officers, of 15 or less years' service, in the whole 200l.

Captains, of 20 years' service and upwards, in the whole 200l.

Captains, of 15 years' service or less, in the whole 150l.

Subalterns, of 20 years' service and upwards, in the whole 150l.

Subalterns, of 7 years' service and upwards, in the whole 100l.

Subalterns, under 7 years' standing, are not entitled to any remission in the purchase of land.

Regimental Staff Officers, and Medical Officers of the Army and Navy, are allowed the benefit of this Rule.

In Nova Scotia and Cape Breton, allotments of Land are granted to Officers on the following scale and conditions, viz:—

To a Lieut.-Colonel.....1200 acres.

To a Major.....1000 acres.

To a Captain.....800 acres.

To a Subaltern.....500 acres.

3. Officers of the Army or Navy, proposing to proceed to the Colonies, in order to take advantage of this indulgence, should provide themselves with Certificates from the office of the General Commanding in Chief, or of the Lords Commissioners of the Admiralty, or of the Master General of the Ordnance, showing that their emigration has been sanctioned, and stating exactly their rank and length of service. No document from the office of the Secretary of State is necessary.

4. Officers on half-pay, residing in the Colony where they propose to settle, are admitted to the privileges of Military and Naval Settlers, without referring to this country for testimonials, provided they can satisfy the Governor that there is no objection to their being al-

lowed the indulgence, and that the statement of their rank and length of service is accurate; and provided, if they belong to the Navy, that they produce their letter of leave of absence from the Admiralty.

5. Military Chaplains, Commissariat Officers, and Officers of any of the Civil Departments of the Army; Purser, Chaplains, Midshipmen, Warrant Officers of every description, and Officers of any of the Civil Departments of the Navy, are not allowed any privileges in respect of land. Although members of these classes may have been admitted formerly, and under different circumstances, they are now excluded. Rates in the Royal Navy rank with Ensigns in the Army, and Rates of three years' standing, with Lieutenants in the Army, and are entitled respectively to corresponding privileges in the acquisition of Lands.

6. Gentlemen who have ceased to belong to Her Majesty's Service are not allowed the advantages to which they were entitled while in the Army or Navy. This rule, however, is not to affect Officers who desire to quit the service, for the express purpose of settling in the Colonies: it is only required, that when they resign their Commissions, they should apply for a certificate from the General Commanding in Chief, or from the Lords Commissioners of the Admiralty, or from the Master General of the Ordnance, that they do so with the view of emigrating, and such certificate, if produced to the Governor of any of the Colonies before-mentioned within one year from its date, *but not otherwise*, will be a sufficient warrant for allowing the bearer the same advantages as Officers who are still in Her Majesty's Service.

7. An actual residence of two years in the Colony must be proved before the Title can be granted, except in cases in which death may have occurred before the expiration of that period.

8. For the convenience of Officers, the following heads are subjoined of the Rules for the Sale of Land in the Australian Settlements:—

All Lands are disposed of by sale alone, and must have been once at least exposed to public auction.

The lowest upset price is not less than 1/ per acre; but the Government has power to raise the same by Proclamation, though not again to reduce it.

The Lands are distinguished into three different classes; viz. Town Lots, Suburban Lots, and Country Lots.

Upon Town and Suburban Lots, as well as upon a proportion not exceeding one-tenth of the whole of the Country Lots offered for sale at any auction, the Governor has the power of naming a higher than the general or lowest upset price: these last to be designated "Special Country Lots."

Town and Suburban Lots are in no case disposed of except by public auction; but Country Lots, which have already been put up to public auction, and not sold, may be disposed of afterwards by private contract at the upset price.

No Lands are sold by private contract, except for ready money. When sold by public auction, one-tenth at least of the whole purchase money must be put down, and the remainder within one calendar month, or the deposit is forfeited.

Lands are put up for sale in Lots not exceeding one square mile in extent.

9. In Ceylon, land is sold by auction at an

upset price of 5s. per acre, generally in lots of 100 acres each.

10. The several prices above mentioned are of course subject to revision at any time by the proper Authorities, and the pecuniary amount of the Remission made to Officers cannot be increased on account of an increased value set upon the Lands.

September, 1848.

MEMORANDUM.

Admiralty, 26th August, 1841.

Her Majesty having by Her Order in Council of 10th August, 1840, ordered that Mates in the Royal Navy shall rank with Ensigns in the Army, and Mates of 3 years' standing with Lieutenants in the Army, Her Majesty's Government have recognised the claims of these Officers to the same advantages in the acquisition of Land in the Australian Colonies and in Ceylon, which are enjoyed by Subalterns in the Army under the Regulations of August, 1838.

By Command of their Lordships,

J. PARKER.

If, however, the parties shall choose to transmit their original documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.
